DORMITORY ROOMS ASSIGNED

247 HAVE QUARTERS ENGAGED 29 FAILED OF ASSIGNMENT.

Sixty-three Per Cent. Are Taken for Next Year—Leases May Be Signed At Once at the Bursar's Office.

Applications for the spring assignment of dormitory rooms were received in the bursar's office up to noon yesterday, when the allotment was made. As a result 247 boys had their quarters assigned, while 29 had been refused because rooms were not available. Next year's list has been taken before any applications were received. The review is not final, however, and may be negated by the last-minute rush for quarters.

Juniors are likely to find it difficult to secure quarters.

Room assignments are subject to revision at any time as the needs of the college require.

W. Booth. Booth had the high score of 82 in theTeXting of the faculty, but the tie of 40 votes nullified the Faculty vote, thus making the result a tie. Official nominations were as follows:

FRESHMAN CANNON MEETS—A large meeting of the Freshman Class was held in the Harrison laboratory of the city for Thursday night. It was attended by a large number of the class, and was conducted by the officers of the class.

ELECTION OF SENIOR PRESIDENT—The vote was taken on Friday afternoon, at 1:15 o'clock, in Room 201, College Hall. Juniors' attendance is called to the following clause of the class constitution, which will be strictly adhered to: "Article IV, Section 3. No member of the class shall be entitled to vote at any elections for Senior year until he has shown a record for class covering Sophomore and Junior years."

Clipping from Exchanges. A Bryan Club is being organized at Minnesota. A group of the best students of Minnesota are actively producing "LAV"s, a comedy. The University of Minnesota has also adopted the feature of the annual meeting of day at Syracuse.

The Union Club of the Case School of Applied Science are aroused over the threatened strike. The Board of Trustees, however, are determined to proceed with the planned strike. The Friday night meeting of the club, which was the feature of the original comic opera, "The Sign of the Boast's Eagle," was postponed for the time being until further notice.

TO PENNSYLVANIA MEN.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for them early in the year. Before you are entangled with any expensive or inefficient employment agency or before you start on a more or less aimless individual search for the position you desire, it will be worth your while to learn about our Cooperative Membership. We are an organization of college men. We can save you time, travel, trouble and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts, no costly commissions, no red tape, no strings attached to our service. We think we solve a problem in a new and better way.
