GOLF TEAM WINS FIRST MATCH

DEFEATS LAWRENCEVILLE FIVE

BY THE SCORE OF 9 TO 3.

Result Was in Doubt Up to the Last Event—Intercollegiate System of Scoring Used with Great Success.

In their first match of the season the Varsity golf team defeated the Lawrenceville five yesterday afternoon by a score of 9 to 3. The match was very closely contested, the winners sending in their scores about the last event, when S. F. Wright, Jr., of Pennsylvania, won two points from Currier with a straight win. In the match the intercollegiate system of scoring was used, each team being scored on the man winning his match and one half point for each side.

Lawrenceville this season is an exception, having been invited to take part in the best Shore college teams. The score was:

Lawrenceville... 1, 1, 1, 1, 1, 1, 1, 1, 1
Pennsylvania... 3, 3, 3, 3, 3, 3, 3, 3, 3

Princeton's Triangle Club Play.

At the British Street Theatre this afternoon the Triangle Club of Princeton gives its first Philadelphia performance of this season. The event presents this year a musical comedy called "When Congress Went to Princeton." The play was written by Roy B. Durand, '06 and Henry J. Van Dyke, '08. The lyrics are by J. B. McKee, '07, and the music by Donald Godard, '27. For many years the Triangle Club has been the nucleus of the Mask and Wig Club, the two bodies being in the main the two organizations of the class. Combining music and the drama makes singing the specialty, while the latter lays more stress on the comic and the setups. The production today affords an excellent opportunity for comparing the two.

Utah State Club Held its last meeting for the college year last night in Houston Hall. Election of officers was postponed until next month. The club decided on a campus tour to Pennsylvania and New Jersey for the spring of 1909. Arrangements were made to send out letters to the various high schools of the State, asking them for permission to place pictures of the University on the bulletin boards.

"Beauties" at Franklin Field.

"Beauties" Brunswick, the ground keeper of Franklin Field, who was hit with a six-inch-pound hammer a month ago while on duty, visited Franklin Field yesterday afternoon. He says he is feeling well and in good health and will not resume his duties until further notice.

Kelvin Physical Club Meets.

Kelvin Physical Society held a short meeting yesterday afternoon in the small Morrison laboratory. The program consisted of the reading of a paper by A. Lambert. The next meeting is scheduled for Wednesday, May 20th.
