NEWS EDITOR OF TODAY’S Issue.
DONALD K. HARRIE.

The Class of 1898 will meet today to cast the first ballot for their Senior president. The election is to be conducted under the honor system, and men are to be allowed to vote in whatever order they have paid their dues for the past two years. This class is the second to adopt the honor system in elections for Senior president, and we sincerely hope that all classes in the future will follow this good example.

A fact to be very much regretted is the manner in which this matter was handled in other classes. The Senior elections perhaps carry with them more responsibility than those of other years; but if the older men in college adopt such measures to control class questions, the honor classes should be forced to follow their footsteps.

The collection of dues at the eleventh hour in the Senior class has always been a source of trouble. We trust that in the election of today the provision for payment of back dues will be rigidly enforced.

Portrait to Be Presented.

At the chapel exercises this morning a portrait of Daniel Payson Goodwin, D. D., LL. D., President of the University from 1840 to 1868, will be presented by his son, Harold C. Goodwin, ’76 C.

Dr. Goodwin, the former President, graduated from Bowdoin College with the class of 1822. He was professor of modern languages at Bowdoin until 1832, after which he became President of Trinity College, Connecticut, remaining as such until he came to Pennsylvania as President in 1840.

The portrait, Harold C. Goodwin, is a member of Phi Beta Kappa, and resides at 3207 Locust street.

Freshman Executive Committee.

An important meeting of the Freshman executive committee was held yesterday in Hospital Hall. Approaches for various purposes were made and plans discussed for using the financial conditions of the class. Reports were received from the May Day and pipe committees. The pipe committee reported that a favorable design had been selected and a number of pipes received. The pipes will be distributed as fast as time and opportunity permit.

Dr. Schelling to Lecture.

Felix K. Schelling, A. M., Ph. D., late of the University of Pennsylvania, will deliver a lecture on "The English Sacred Drama." In the Houston Club this afternoon at four o’clock under the auspices of the Philomathean Society.

Professor Schelling is the foremost living authority on the Elizabethan drama. He will tell of the influences that brought about the miracle plays and miracle cycles along which they developed.

The lantern slides used to illustrate the lecture were made entirely from old manuscripts and books of the period, and show the customs and scenery as they were.
