Ballots for Unpopular Professors to Be Cast in the Houston Club To-Day.

Sophomore Cremation Ballot.

I suggest that the following Professor be cremated:

The ballot for election of the professors appears above, and should be filled out and deposited in the ballot box in Houston Hall.

The Sophomore Cremation poster appeared yesterday in the Intercollegiate. It is one of the best and most effective of the cremation posters of recent years. The artist is W. H. Kenner, in Arch. The design shows a large crowd of students applying a torch to a fire composed of skulls and books, which is to burn in effigy the professors who have gained the leastadmiration from the students during the past year.

Pittsburgh is a scene of much exciting activity, following the election of several professors who will be several boxes and sleeping cars.

1908 Record Out This Week.

The 1908 Class Record will be out for the first time this week. It will be the most elaborate University Record ever published—a volume of over four hundred pages, handsomely bound in leather and cloth, with gold trimmings, containing a large number of color plates and engravings, pictures of the teams, clubs, classes, fraternity, and societies, with athletic records and sketches of the life in each department, views of the athletic fields and buildings, interior and exterior, and many other amusing features, altogether a most carefully prepared and arranged material about Pennsylvania that should be worth much more than the price to anyone interested in the University. Some selections of the color plates and engravings are on exhibition in the entrance to the Houston Building; Friday, September 9, 390 A.M. Room 216.

Phi Beta Kappa.

The Philomathean Society will hold its annual commencement in Houston Hall on June 12th, at which time the society's diplomas will be presented to each member of the society in the graduating class. The commencement committee has been chosen by the President and the Philomathean Society, and the following members will be chosen: Francis, C., C. E. mom; Frank, C., C. E. mom; William, C., C. E. mom; William, C., C. E. mom; and John, C., C. E. mom.

In this capacity the committee is not having as many copies made as in former years, and a listing statement indicating that the supply will be exhausted soon after the sale begins. Everyone who buys a copy should see an extra edition card, which is in the box on the first floor of the Philomathean Society building. It is a case of a very few copies, and should be saved for future circulation. Cardholders may be secured without extra charge. For the benefit of the Philomathean Society, the committee has a 1908 record to take home this summer.

For the first time in two years the annual Intercollegiate Track Games will be held on Franklin Field Friday and Saturday of this week.

The breaking of the intercollegiates here after two seasons at Soldiers' Field, Cambridge, has entailed trouble without end. The completion of details has occasioned more than ordinary labor on the part of the Pennsylvania managers. In return for their efforts they beg the earnest support of the student body in its entirety.

We should appreciate the honor of entertaining so many prominent college athletes this season. We should calculate the good which will result from the attendance of the student body in its entirety. Its completion will be elected next October. It is hoped that a fitting number of candidates will be examined.
