ARCHITECTS' ANNUAL SMOKER

GIVE RECEPTION TO ENTERING MEMBERS OF DEPARTMENT

The Architectural Society of the University gave its annual reception the evening before the entering students of the Department of Architects last night in the lecture room of the College Hall.

President Karl Scott Putsman, '94 Arch., addressed the meeting. He welcomed the Freshmen in the hope that they would hold the plans for making this year's performance greater and more success- ful than ever before.

President Putsman introduced Mr. Albert Kersey, '94 Arch., as the fore- most architect of Philadelphia. Mr. Kersey also gave President of the Architectural League of America, con- ducting architect of the Philadelphia Museum, and architect of the Bureau of American Republics. The speaker, in his first year in the United States, is living up to the expectations set for him in his architecture course at the University of Pennsylvania.

Kersey further insisted that his men be required to be students of architecture, and only after they had been made students should be required to take an architectural exam. Congress may by law prescribe, granting that such legislation would be con- sidered very acceptable.

The following officers were presented by Kersey: 

J. D. Patterson, '90 Arch., Delaware State Club.

The Delaware State Club held its first regular meeting in the smoking room of Logan Hall last evening. There was a large attendance, and plans were made for a dance, to be held on November 4th.

The next meeting will be held on Thursday, November 22d, in the College room of Logan Hall.

VARSITY PLAYS BROWN TO-DAY.

ELEVEN FROM RHODE ISLAND REPORTED STRONG THIS YEAR.

Pennsylvania Team will be in a Tipped Condition—Freshmen to Meet Hill School at Princeton This Afternoon.

A crippled Pennsylvania eleven enters the conference this afternoon. It was Brown at Franklin Field at three o'clock this afternoon. The Varisty coaches are much concerned over the outcome, especially as the Providence men are reported to have the strongest eleven in their football history. So strong in fact do they seem that goldfinch experts of the New York "Fan" are of the opinion that Brown will have the satis- faction of being returned at least one member of the Big Four this season.

The Rhode Island team was to have lit- tle trouble in recently defeating Bow- doin by a 1:20 score, one more touch- down than the Harvard eleven was capable of gaining in a hard-fought battle.

Brown's old stars, Mayhew and Den- ton, are still in the game, the former one of the greatest and hard- est men in the country to tackle. Last year Pennsylvania succeeded in defeating Bown by a score of 114-1 in the series and the latter played an entire game. The "Varmy" experi- enced good hard work in preventing their opponents from scoring, a thing which they probably have done had not been time called for the final half of Brown with Brown in piercing distance of Pennsylvania's goal.

Trainor Myhrin's charges are in the right end of the game, and wood found necessary previous to yesterday's practice to dress the list of fifteen members of the squad. Manley will not enter to-day's game, as it is thought that he needs rest for the match against Keelham will be unable to play on ac- count of his injured ankle, however, and will not be dressed for tomorrow's game, which is scheduled to be played on the following day.

VARSITY PLAYS BROWN TO-DAY

(Continued from First Page.)

Brownies and Crooks dropped several goals in good form from the thirty-three yard mark. C. Regan also did some pretty work in drop kicking.

Coach Torrey, assisted by McCloy, the win centre, and Case, tackle, on the same eleven, both of whom made their first appearance of the year as coaches, devoted practically the entire afternoon to perfecting the work of the line men, Pike, Cousins, Dietrich and Lambertson receiving the major part of their attention.

—

Coach Longwell's Freshman eleven were kept steady yesterday afternoon on the tackling dummy and in signal practice preparatory to today's game with Hill School at Pottstown. Last year the Freshman team met defeat at Pottstown by a score of 6-5 under the extraordinary circumstances of having six times crossed Hill School's goal line only to be called back and penalized on each occasion.

The Freshmen will line up as follows:

McCloy, left end; Foltz, left tackle; Findlay, left guard; Gun- nemoon, centre; Weber, right guard; Fisher, right tackle; Wilson or Kemer, right end; Hutchison, quar- terback; Harley, left half-back; Smith or Van Heusen, right half-back; Harrington, full-back.

Cross-Country Runners in Park.

The cross-country squad was put through a stiff practice run over the four and one-half mile course in Fair mount Park yesterday afternoon. Coach Olin led the squad. Considerable improvement is noticeable both among the Varsity and Freshman can- didates.

Next week the distance will be increased, so that in a short time they will be running the full intercollegiate distance of six and one-half miles.

Today the squad will run on Franklin Field after the Brown game.

Radar High Meeting.

The Radar High School Club met yesterday afternoon, at 115, in the trophy room of Houston Club. The following officers were elected: President, J. G. Maguire, '09 E.; Vice- President, C. Keller, '09 W.; Secretary and Treasurer, F. Schafer, '12 W. The club will hold its next meet- ing in about two weeks, when prospective members will be admitted.

CHEER HARD TODAY.

The football team goes into today's game against Brown with our sincere hope for success. The conditions under which it must play are such that we must confess to a slight lack of the perfect confidence to which we have given expression hitherto, but we feel, for that reason, all the more the necessity for assuring our players of our unwavering support.

The game this afternoon is the hardest so far in the schedule, not only because of the seasoned veterans and excellent players that constitute the Brown team, but as well because of our own team is handicapped by the physical disabilities of some of its best men; so that this is the time for every man with a voice to get into the cheering sections and shout himself hoarse. We should not be surprised if much in this game depends on encouragement from the stands. It is the least the players can do this afternoon to see that the encouragement is forthcoming and with a vim that is bound to inspire.

Let the cheers ring out today, louder than ever before, their mighty notes of praise, and the result will be measured by touchdowns.

Call for Wrestling Candidates.
Captain Ralph J. Waite, of the "Vas-
ity wrestling team, has issued a call
for candidates, to report in the Gym-
nasium on Monday afternoon at five
o'clock
Polwell, Dewar and Freistad have been
lost to the team by graduation.
Wally, Yerger, Coxe, Pike and Mac-
layre are still in college, and with
the above as a nucleus, prospects are
bright for a winning team.
In order to promote greater inter-
est a series of matches will be
held and prizes, in the form of cups
or medals, will be awarded to the win-
er in each class.
The coaches have adopted a new
system this year, namely, by dividing
the candidates into two squads, an
elementary and an advanced squad.
All candidates will be placed in the
former, and those who excel will later
be transferred to the advanced squad.

No Class Crews Out To-day.

The class crews will not do any work on Saturdays this fall. At present they are being taken over the course every afternoon under Coach Ward's direction. The Freshmen had two crews out yesterday afternoon as usual and the work of the first-year crews showed a decided improvement over their former attempts. Several of the men have had experience and the others are learning the stroke as fast as they can.

Gymnasium Locker Notice. Gaining to the limited number of lockers in the Gymnasium there are now only a few left for upper class men, and after they are exhausted two will have to occupy one locker.

All freshmen who have not already secured their lockers should report at once to Mr. Coleman, so that they may be put in with some friend or classmate. Signed: E. Tait McKenzie, Director of the Department of Physical Education.
