**Proctor and Vice-Proctor Make Address on Behalf of the University**

Proctor and Vice-Proctor make address on behalf of the University. Poem by Thomas B. Davidson.

With the words, "I declare this stone to be well and truly laid," young Clinton McMichael, 5d, of the late Kemper v. President, placed the cornerstone in the foundation of the Mask and Wig Dormitory, which was yesterday dedicated in the University by the club.

In spite of the inclement weather, there was an attendance of the Trustees of the University, together with invited guests and undergraduates of the club, of which were present when yesterday's ceremonies opened with the singing of "Hail! Pennsylvania," by the entire assembly. Following the hymn the Rev. Carl E. Kramer, Rectory of M. Stephen's Church, offered prayer.

J. Warren Coolidge, Jr., President of the Mask and Wig Club, delivered a few an opening words which introduced Proctor Harrison, who delivered a short address in which he expressed the gratitude of the University, by being gratefully accepted the club's gift. He said in part:

"Pennsylvania was not a cosmopolitan place prior to the introduction of the dormitory system. At the present day she has students from every State in this country and from every country in the world. In this respect our University surpasses every institution."
There is a good opportunity for new candidates to make the board this year.

Because of graduation many men of last year's board have not returned to college, and in all probability from eight to ten men will be elected in January. Because of this some of the candidates who reported at the first of the year have failed to show the ambition and enthusiasm which is imperative for this kind of work, and this gives more opportunity for new men with ability to make good.

We will hope, therefore, to see a goodly number of freshmen who have any ability whatever for writing to report tomorrow evening.

University Golf Tournament. But five matches have been played off in the fall golf tournament, and in order to finish the play the course in good condition, it will be necessary for all the first round to be finished Saturday. The following matches have been played: Houston was from Treat by default; Kirtner won from Kingsbarker, 9; and H. Blair won from McClure, 7 and 6; Pfeil defeated Burr, 3 and 2; Harlow was from Williams by default.

To Represent Executive Committee. At a meeting of the Sophomore chemical engineers yesterday elected R. Hard as their representative on the same committee.

Vereiners Attend Theatre. The members of the Decennial Verein, some thirty strong, paid their first visit of the year to the German Theatre last night. When they saw Max Dreyer's "Die Sichsunachfri" placed for the first time in America. Many similar parties are planned for the coming year.

Fall--Handicaps Saturday. The twenty-ninth annual fall handicap games will be held on Franklin Field, Saturday afternoon. Everyone who wishes to enter must sign his name on the board in the north dressing room as soon as possible, signed: A. J. Geyelin, Manager.

Dental Reception and Smoker. The Senior and Junior Classes of the Dental Department will hold their annual reception and smoker for the Freshmen in Dental Hall at eight o'clock to-morrow night.

Wharton Reception and Smoker. The annual Wharton School Association reception and smoker for the Freshmen will be held Thursday night in the smoking room in Logan Hall.
