CROSS-COUNTRY WORK REVIEWED

Paul and Beck Are Still Prerent from Joining Squad.

Cross-country running is about the only team on the gridiron that can do nothing to improve itself. The University's running endeavors are being well supervised by Coach Brooke in the midst of their full schedule. The practice is going on, and the members of the team are doing their best to improve themselves.

Team Much Weaker Than At Last Year—Four Running Regularly Every Day Now.

The team is much weaker than last year, and only four men are running regularly every day now. The team is composed of the following members: Paul, Beck, Irwin, and Wilson. They are doing their best to improve themselves, and they are doing well.

Hunter Scarlett,
Editor of The Pennsylvania.

Dear Sir,—Lost the unannounced statement which appeared upon the sporting page in our last number, that this is the opinion of the running of Hunter Scarlett in the game last Saturday that took place yesterday. It should be like to make a brief reference on the matter. The article says that in every game this year the American team has committed tactics which savored of the tradition. This man, in the University, is not a "needy," known to be a delinquent, as Hunter Scarlett is one of the most experienced of the members of the American team. He has been running for a long time, and he is doing his best to improve himself.

Freshman Class Elections.

At the meeting held today for the election of the members of the Freshman Class, the following were elected: President, E. H. Morris; Vice-President, E. H. Shekemeyer; Secretary, T. M. Miller; Treasurer, W. B. H. Tunstall; Executive Committee, R. H. Fordham; and last year's Freshman athletes who were present.

The election was held in the auditorium, and it was the first of the season. It was arranged by the Freshman Class's officials.

THE "MUCK RAKER."

On the first page of this morning's issue will be found a communication which we hope will be read by every student in the University.

The Pennsylvania has always been noted for taking issues with any of the daily papers published in Philadelphia or any other city, as we have always felt that there is little to be gained by such a policy. However, in the case mentioned in this morning's communication we feel it is right to make some comment in regard to it. In the absence of stronger language to express our feelings we brand the statement made in regard to the playing of Hunter Scarlett a pure, unmitigated falsehood of the blackest brand. We say this because we feel it deeply and because we know the same feeling is held by everyone of the 4,500 Pennsylvania students who witnessed last Saturday's game.

If there is any one quality which Hunter Scarlett possesses more than any other it is that of a gentleman. He is the highest type of the football man playing on any college team today, and we feel that few colleges have the good fortune to have on their teams men of his stamp.

During the four years which he has been on the varsity football team at Pennsylvania his playing has been above reproach, and by his hard, conscientious, clean work has added glory to Pennsylvania's achievements.

It has been very seldom that the "muck raker" has invaded Franklin Field. Last Saturday he sneaked in, but made a mistake in both the team and the man he attacked.

SPECIAL CHAPEl EXCUSE.

On Friday morning a prominent alumnus of the University, Mr. Louis C. Medora, will make an address in Chapel. It is highly important that every student, who can possibly arrange it, attend the Chapel exercises that morning.

Mr. Medora is a devoted worker for the University, a man of scholarly attainments and broad experience, and what he will have to say will be of interest to every student.

Dean Penniman is arranging to have some men of note, and especially some alumnus of prominence, deliver short addresses in Chapel every Friday morning, and the students should bear this in mind and make it a point to attend the special Chapel exercises every week. It certainly would not be inspiring to any alumnus to return and make an address to a handful of students, especially since he knows the University has grown so marvelously and made much headway at its college.

Mr. Medora will be the first on this list of speakers on Friday morning, and should receive a respectful welcome.

Dental Freshman Reception.

The annual reception and speaker to the Freshman Class of the Dental Department will be given tonight by the upper classmen in Dental Hall at eight o'clock. Provost C. C. Hirtle, Vice-Provost E. F. Smith, Dean E. C. Kirk, of the Dental Department, and the Presidents of the upper classes, Kruse and Harkins, will be among the speakers of the evening.

Lebanon County Club.

The Lebanon County Club will meet at 2:30 to-morrow evening at 21 Mears, Dormitories, for reorganization for the year. All students from Lebanon County are requested to attend. Signed: P. L. Vosmer, President.

Sophomore Executive Committee.

There will be a meeting of the Executive Committee of the Sophomore Class to-morrow afternoon at 3:30, in the Honston Club. All members and department representatives are requested to be present.

Representative Meeting Postponed.

Owing to a tie between Strassburger and Huhn for Representative to the Executive Committee of the class, the meeting was held over until to-day, at 3:30, in the smoking room of the Engineering Building.

Glee Club Rehearsal.

Glee Club rehearsal tonight, at 6:45, in Logan Hall. After the rehearsal the old men will sing at the Wharton School and Dental Department smokery. Signed: William T. Conley, Leader.

Oh, Fresh! Beware! Your superior wares you against the dangers of impure water. Drink only Great Bear Spring Water. Phone, Fresh 75-7.

University Band Rehearsal.

Owing to a misunderstanding there was no rehearsal of the University Band last night.
