VARSITY HAS SECRET PRACTICE

HOLLENBACH, SCARLETT AND KEINATH AGAIN IN THE GAME.

The Varsity squad held secret practice yesterday afternoon. Hollembach, Scarlett and Keinath were again in uniform, though they did not take part in any practice. Scarlett was in fairly good physical condition, but Hollembach, who has been at Atlantic City this week, was not in the best of form, and Keinath appeared to be in good condition by Saturday. Hollembach's hand is still sore, but he has been at Newport Beach this week. He was expected to be in the game Saturday. Though Keinath will be taken on the team, it is very improbable that he will play.

A secret scrimmage was held but there was no heavy work. Scarlett was drilled on his new right-halfback position, while Reenan practiced dropping kicking. The Varsity line-up: Braddock, left end; draper, left tackle; Dietrich, left guard; Coonan, center; Pike, right guard; Gaston, right tackle; Crooks, right end; Hurt, quarterback; Young, left half-back; Summer, right half-back; Phillips, full-back.

The following will report to-day at the West Philadelphia Station at 11.30: Marks, Irwin, Bierich, Draper, Gaston, Scarlett, Braddock, Keinath, Mann, Means, Hollembach, Coonan, Pike, Lambecker, Firriol, Crooks, Miller, Smith, Sommer, Rogers, Young.

The Freshmen held a hard scrimmage with their squad, H. R. Morris, a new candidate, was played at full-back and the two left ends. Freshmen scored almost at will. The team will go to Mercersburg this morning to play Mercersburg Academy.

Debate at University House.
—One of the best political debates of the season between the Democratic and the University House. The audience was crowded.

When Major Kelly made his appearance he was greeted with cries of "Keller for the Senate." "Keller and Bryan," "Slade, Kelley, Slade." He declared that he was not a politician and well known that he did not want to be so.

The Democratic supporters would undoubtedly have been declared victorious had it not been for the eloquent oratory of Major Kelly. It was only this that saved the Republican side from defeat. The change of men from the Democratic to the Republican side was an attest of this. At the end of his speech Major Kelly expressed himself presented with a bunch of roses.

Priestly Chemical Club.
—There will be a meeting of the Priestly Chemical Club tomorrow night at eight o'clock.
MORE SPIRIT.

The Pennsylvanian believes that too much support cannot be given our football team. We believe also that more spirit can be aroused among the undergraduates, which will aid materially in making this year’s team one which will go down in history as one of Pennsylvania’s truly great teams.

The Pennsylvanian stands ready to support the team at all times and to do what it can to arouse more spirit among the undergraduates and awaken the spirit up to the realization that at Pennsylvanians there is a football team which stands second to none.

As a first step in this direction we intend from time to time to print cuts of the different members of the team.

We present this morning a meeting by presenting on the first page a cut of Hunter Scarlett, the Checker playing. Former chess team member and position of clarinet player in the University Band has ever accompanied the Michigan team away from Philadelphia. The Scientific American and Supplement, 7.00

MORE SPIRIT.

much support cannot be given one
football team. We believe also that
more spirit can be aroused among

ion of Pennsylvania's true great teams.
The Pennsylvania stands ready to
support the team at all times and
to do what it can to arouse more
spirit among the undergraduates and
awaken them to the realization that
Pennsylvania has a football team
which stands second to none.

As a first step in this direction we in-
stant from time to time in print out-
put of the different members of the team.

We inaugurate our plan this morning
by presenting on the front page a cut
of Hunter Scaret.

PRESS CENSOR NEEDED.

Again another article has appeared
in one of the Philadelphia morning
papers in regard to certain members
of one of our athletic teams which
lacks official confirmation and which
cannot help but do harm to these men.
We feel that such actions on the part
of certain newspapers of this city In
misrepresenting men of standing at
their school and their collegiate
standing will not only do harm to the
team but also to the man.
