CARNEGIE TECHNICAL SCHOOL.

Meane Killed Two Goals from Field. Entire Eleven Played Snapgay Football—Freshmen Defeat Mercersburg.

Cheered by hundreds of Pennsylvania alumni the Freshman won the first game of the season to be played away from Franklin Field by rolling up a score of 23 to 0 against Carnegie Technical Institute of Pittsburgh on Saturday.

Contrary to expectations the game was started with the regular line up except that Means took Kongas place at right half-back. It was evident that the coaches wanted to try out their scoring machine. Realizing that there was a splendid chance, the team got off in good form and played fast and hard throughout both halves of the game.

It was deemed inadvisable to put Keinath into the game and Miller was made the star underclass man for the second half, when he was relieved by Smith, who handled the team well. Beginning two minutes after play had started touchdowns alternated with goals until midway and had been scored in the first half. The work of Means in negotiating two

SMALL CROWD SEES HANDICAPS.

Several New Men Show Up Well in Fall Games on Franklin Field.

The Twenty-ninth Annual Fall Handicaps were run off before a small audience of students Saturday afternoon, many of whom were in opposite departments. The races were run off on a grass track near the north end of Franklin Field, hence the weather was as good as it might have been. The course was a biting cold wind, which made the runners rather uncomfortable, for Hough was the star of the day. Continuing in first to both the hundred and two hundred and twenty yards dashes, Hough, the new track runner, made a good showing in the four hand and forty. Gunn made a sensational sprint in the following up from fifth place and finishing a close second.

A table graph instrument had been installed on the field, and the progress of the various games with Technical Institute was followed with great interest. The results of the events follow:

One hundred yards—Won by Hough, second; Rice, third; Lummis, 6 yards; third, Randlems, scratch. Time, 19.5-5 seconds.

Two hundred and twenty—Won by Hough, scratch; second, Randlems; third, Haggerty. Time, 24.4-5 seconds.

Four hundred and forty yards—Won by Ballou, 5 yards; second, Gunn, 3 yards; third, Johnson, 22 yards. Time, 55.5-5 seconds.

Eight hundred and eighty yards—Won by Master, 25 yards; second, Lewtering, 35 yards; third, Johnson, 32 yards. Time, 2 minutes 1 seconds.

One hundred and twenty yards hurdles—Won by Biddle, scratch; second, Newberry, 8 yards; third, Burnside; 6 yards. Time, 16.5-5 seconds.

High jump—Won by Burbidge, scratch; second, Newberry, 1 yard; third, Lummis, 3 yards, 6 inches.

Broad jump—Won by O'Connell, scratch; second, Newberry, 12 inches; third, Jackson, 8 inches. Dashes, 2.1 feet 2 inches.

Pole vault—Won by Parker, scratch; second, Piskell, scratch; third, Blakely, 6 inches.

FRAScHMAN RULES LAID DOWN.

Undergraduate Committee Also Devised a Guide for Date for Bowl Fight.

At a meeting on Friday night of the Undergraduate Committee the following rules were passed for the regulation of the game on Saturday:

1. Black caps must be worn.

2. No smoking of pipes is allowed on the campus.

3. Upperclassmen shall be given precedence on the sidewalks and at doors.

4. Freshmen must not use the front door of College Hall.

5. These rules are not a matter ofSophomore coercion but are the traditions of the University, and should be respected by all the first-year students.

6. It was decided to hold the Bowl Fight, the great event of undergraduate rivalry, on Friday, December 4th, on Franklin Field.

This particular time has been chosen for the reason that the track, baseball, and crew men of the two classes will be over on campus for the night, as they will not be in training.

The Editor-in-Chief of The Pennsylvania, elected to honorary membership on the committee for the coming year.

SATURDAY’S GAME.
The showing made by the team in Pittsburgh on Saturday is most gratifying. Although our opponents were without a doubt much less experienced and weaker as a team, nevertheless the perfect team work and the ability shown by each individual Pennsylvanian player to not only play his position well but to follow the ball saves as well for the remaining games of the season.

During today Pennsylvania enters on the last lap of the football season, and training will start in earnest for the three remaining games—Lafayette, Michigan and Cornell. Anyone who has been following the affairs of the upper classmen knows that the team is in condition. The showing made by the team in the upper classmen’s games is historic, and the team is as old as the University itself. It should be made one of the greatest events of the college year, and this can only be done by getting every available man of both classes into it. This will be accomplished during the year, as the date set by the Undergraduate Committee—Friday, December 4th—will prevent the men who work on the different teams from taking part in the field and making a great success.

The election of the Editor-in-Chief of The Pennsylvania to honorary membership of the Undergraduate Committee we consider a most important action. To truly represent undergraduate sentiment and be in a position to do the greatest good, the head of the University’s daily paper should be in touch with all undergraduate activities. This committee, composed, as it is, of all the Presidents of the Freshman classes now in College, is the most important committee in College. Its power extends over all undergraduate activities and its action in all such matters is final.

The Editor-in-Chief desires to thank the committee for the consideration which The Pennsylvania has received at its hands.

Intercollegiate Cross-Country.
The Second Intercollegiate Cross-Country Meet, run under the auspices of the University, took place Saturday. The meet was won by Harrow, one of the Central Manual Training School. A class race had been expected between Galbraith and Hunter, but the spectators were disappointed, the latter being in condition for the meet.

Sketches and Estimates Submitted
In The College the course in Arts and Science has made a remarkable advance. Seventy-one students were last year enrolled in this course, while this year the number has reached 126, an increase of 70 per cent.

The heaviest Freshman enrollment in any course of The College is again in the Wharton School, with a total of 166, or fifty-three more than last year. The other courses have registered first-year men as follows: Architecture, 42; Biology, 15; Chemistry, 15; Chemical Engineering, 21; Civil Engineering, 58; Mechanical Engineering, 124. Total, 611.

The growth of the University as represented by the foregoing figures is more readily appreciated when a comparison is made with the registration of five years ago. Since 1900-01 the University has increased its student population 63 per cent. The College, the Department of Veterinary Medicine and Courses for Teachers have practically doubled their enrollment, the Graduate School has increased 50 per cent., and the professional schools have increased materially. The Evening School of Accounts and Finance and the Summer School, enrolling 241 students, have sprung into being during this period. The corps of professors, instructors and assistants has been augmented nearly fifty per cent, the total teaching force now approaching five hundred. The physical resources of the University have had valuable additions in the new laboratories and buildings of the Departments of Veterinary Medicine, Engineering and Physical Education, while the construction of new dormitories enables the University to house 75 of its students in those comfortable apartments.

goals was perhaps the most encouraging feature of the game. Straight football was the order of the day, relieved in a few instances by the augmented use of the forward pass. The Pittsburgh eleven used a varied attack, but could not gain consistently.

Not only did the team play well as a unit, but the men also displayed excellent individual work. The Varsity line up, Braddock, left end; Draper (Ferrier), right end; Dietrich, left guard; Marks, centre; Pusey, right guard; Quinlan, right tackle; Scarlett, right end; Miller (Smith), quarter-back; Maxon (Dummer), left half-back; Means, right half-back; Hohenbuck, full-back.

Pennsylvania's Freshman eleven defeated the Mercersburg Academy team by the score of 66 to 0 on the latter's grounds on Saturday afternoon. This was the first time Mercersburg has been defeated this season.
