NEW CHEER LEADER.

Norton Gibbons-Nev, '09 C, takes charge as official Cheer Leader at the team's big game tomorrow.

Lecha's game. Ralph J. Waite, who graduated from the College last year and is now in the Law School, has had charge of the cheering this year, and resigns because of the precedent estab- lished a few years ago that the Cheer Leader should be a Senior in the College. Waite has made a most efficient leader and The Pennsylvanian wants to thank him for the energy and spirit he has shown.

Gibbons-Nev has been assistant to Waite this year and is an ideal leader.

The Pennsylvanian congratulates him upon his appointment, and asks that the undergraduates support him to a win.

TO-DAY'S GAME.

The game with Lafayette to-day is the first the team has played on Franklin Field for two weeks. The student body will be interested to see the progress made by the team since the Indian game. This will be the last game before we meet Michigan and Cornell, and the showing made to-day will indicate the form that will be shown in two or three important games of the season. The Pennsylvan- ian believes that all three games will be victories, but it realizes that the success of the team against Lafay- ette will be a great factor in bringing about the same result in the final struggles of the season.

Lafayette comes to Franklin Field to-day an unbeaten team, with the determination to win that is backed up by the confidence born of success.

Their team is one of the greatest de- _veloped at Lafayette in years, and their record so far this season is remark- able. They have played Princeton a time or two and have won from Brown.

Our team to-day needs the upswing support of all Pennsylvania men.
