PHILADELPHIA STATE CLUB MEETING.

S''ith, Wednesday, Sept. 22—With every indication that Kansas is going to win, Pennsylvania's correspondent was struck by the fact that the men in the stands were laying in the uncomplimentary position against Kansas. This morning was devoted to a cross-country run and afternoon practice, under the supervision of Coach Mitchell, after which the members were dined and a foul and major signal practice was held.

The resulting staff was increased to-day by the arrival of Coach Warner and judges. The final line up will not be definitely decided until tomorrow. Practice will begin at 7:30 to 7:45, though Keinath will lead the team and Coach will hold down center position against Germany—Schultz. Morning and afternoon practice will be held to-morrow and the squad will leave for Ann Arbor after early Saturday morning over the Michigan Central Railroad.

Director Band of Michigan Athletic Association, has ordered as many as the reports which said that the Westerners would protest the playing of "Popper" Mike Murphy, has promised to have the men on edge by Saturday.

Junior Tea Meeting.

At the meeting of the Junior Tea Committee this afternoon in Room 205, College Hall, at 1:15, contracts will be signed. Events to unforeseen circumstances the tea will be held in the Museum instead of usual, Keenly-Willis Hall, as previously announced, but the date, Thanksgiving Day, remains unchanged. The invitations will be distributed on Tuesday in Room 205 from 1:15 to 1:45 o'clock. Each Junior is entitled to two invitations.

The following sub-committees have been appointed:

Sophomore Treasurers Appointed.

The following members of the Sophomore Class have been appointed as Treasurers in the different departments: John and J. C. Cleaver, Wharton; C. W. Brown, Mechanical and Electrical Engineering; W. Shults, Science; R. A. Jennings, Chemistry; J. L. Linseo, Chemical Engineering; F. H. Bagley, Chemicals; A. J. French, People's Science.

Texas State Club Meeting.

A meeting of the Texas State Club of the University of Pennsylvania will be held to-morrow evening, at seven o'clock, in the Museum.

Chapel Address This Morning.

Mr. Charles F. Gunner, of the Class of '94, C., will deliver the Chapel and dress this morning. All the classes are geared to turn out.

Lackawanna County Club.

The Lackawanna County Club held its initial meeting of the year last night at the Hickson House.

FORTY-THREE CANDIDATES OUT.

Preliminary Trials for 1909 Cast of Mask and Wig Annual Play Held.

Last night at their club house the Mask and Wig Club held the trials for the annual preliminary performance, leading finally to the cast of the "big show," given later in the year. There was a large turnout, forty-three men responding to the call, each of whom was asked to recite, sing or dance. All kinds of stunts, ranging from a selection from "Pinnochio" all the way to an extract from "The Outly Corner Girls," were witnessed. Stage Director J. C. Morgan, Jr., who acted as judge, expressed himself as well pleased with the quality of the new material. He said: "While the trials disclosed no particular stars, yet I am well satisfied. There were several men with excellent voices out to-night, and I see no reason why the show should not be the best ever. The preliminary show has been selected, and will probably be played for the first time at the football smoker.

A list of those who successfully passed the trials will appear in Monday's Pennsylvania, and those named will be requested to report to the club house on next Tuesday evening.

SPECIAL TRAIN TO ANN ARBOR

WILL CARRY OVER ONE HUNDRED TO THE MICHIGAN GAME.

The trip to Michigan is now assured and Pennsylvania will be well represented at Ann Arbor by a loyal band of routiers.

This afternoon, Oct. 29, a special train of Pullmans will leave Broad Street Station carrying over one hundred Pennsylvania men, who are going to cheer the team to victory at Michigan. The party is made up of the Varsity Scrub, the Band and about eighty undergraduates. They will arrive at Alabou about 3:00 P.M. On Saturday at 4:15 breakfast will be had at Toledo, and it is expected they will arrive at Ann Arbor about 3:30 o'clock. After the game the party will return by way of Buffalo and Niagara Falls, arriving at Broad Street Station Monday at 7:30 A.M.

Eighteen members of at least the University Band will go, the personnel of which has not been announced.

PROVOST’S RECEPTION.

The reception of the Provost and Mrs. Harrison for freshmen and all new students was held in Pennsylvania for the first time this year. President Houston Hall, in the Museum of Arts and Sciences, was on hand to attend this reception. Evening dress is not necessary. Individual letters have been sent to freshmen and new students, but in case of any mistake or oversight, any new student who has not received invitations should not let that stand in the way of their going, as everybody is expected.

TO NIGHT'S RECEPTION.

This evening, at eight o'clock, Provost and Mrs. Harrison give their annual reception to first-year men of all departments. This means that all men entering the classes are invited to attend this function, which is the most notable reception at the University during the year.

The Provost has little chance to come in contact with the undergraduate body. His enormous duties relative to University affairs makes this close association impossible. We know he regrets this. His great love for the University, which through his unrelenting devotion and work has resulted in placing Pennsylvania in the first rank of the great educational institutions of the world, carries with it kindly and vital interest in all Pennsylvanians.

The reception tonight, which he and Mrs. Harrison give in the Museum, affords him a means of meeting all men who are entering the University. It gives the students a chance to meet the Provost and Mrs. Harrison and to come in closer contact with the professors, all of whom they will meet there.

We trust that all first-year men will take advantage of this reception tonight, which means so much to the Provost as well as to the students themselves.

OFF TO MICHIGAN.

The Pennsylvania is proud to say that the special train will go to Michigan to-day fall. The Scrub and the University Band will make up part of that body of loyal Pennsylvanians who will see the Red and Blue wave in victory over the field at Ann Arbor. The Pennsylvania congratulates the Committee on its success. We are proud of the men whose perseverance made that success possible. The work of the Committee and the response of the student body is a demonstration of Pennsylvania spirit that speaks for itself. The same spirit that has been at work here the last two days in getting up the train is represented this morning at Ann Arbor by the Pennsylvania team, and that team and that spirit can't be beaten. The Pennsylvanian is but repeating a fact already known to all when it says that Pennsylvania will win. For the Committee and the University we want to thank every man for the loyal support he has given to the whole affair. Mike Murphy has said: "You can't beat a team that won't be beaten," which seems to the Pennsylvania the same as saying: "You can't beat Pennsylvania." So here's "good-bye" and "good luck" to the lucky hundred who we know will cheer just a little harder for the sake of us at home.

Winter Swimming Events.

The first bi-monthly swimming events of the season will be held this evening, at eight o'clock, in the Gymnasium. These events are open not only to the swimming team but to every student in the College, and it is hoped that a large number will turn out. There will be a novice race at 5:15, and all the Freshmen swimmers are requested to be on hand.

Some time before Thanksgiving Christmas will be a relay race between the Central Manual Training School and the Freshmen, of which due notice will be given. For the information of all Freshmen it might be stated that these swimming events are held in the Gymnasium pool bi-monthly, and a record is kept of points scored by each individual swimmer during the winter months and prizes awarded at the end of the season by Coach George E. W. Any man in the University is eligible for those events, and it is their duty, especially of those who are engaged in other forms of athletics, to come out and swim.

"Soccer" Practice To-Day.

A large number of candidates reported to Captain Webster at the Gymnasium yesterday for the "Varsity" soccer team. The first practice will be held this afternoon on Franklin Field at 4:30 P. M., and it is desirable that all candidates, whether they have reported to Captain Webster or not, should be on hand for practice.
