in defeating the Jesuitmen in the first game, won by the score of 72 to 15 and without Keinath in the

However the Tigers have shown
marked improvement over their ear

compensation to fight against. Keinath and Bough will start the game at the
forward position, and Kiefer and Snyder will play guard. Boge, Keinath and
Moss will probably be put towards the close of the contest. The game will take place at the same as that of a month ago, with
Keinath at center, and Miskin and Snyder at forwards.

Mr. "111" Sharpe will referee, and the game will consist of two twenty

CHAPEL SPEAKER.

Hon. Hampton L. Carson, of the Class of '71 C., is this morning's Chapel speaker. Mr. Carson is one of Philadelphia's most honored and distinguished citizens and one of Pennsylvania's most noted sons. We extend to him a most cordial welcome.

NEW UNIVERSITY HYMN.

The University has again been honored by the pen of Dr. W. W. Mitchell, "Ave, Pennsylvania," a new University hymn, dedicated by him to Provost Herrick at the annual Franklinbirthday dinner, held at the Franklin Inn Club on Wednesday evening last. The hymn is of high merit, and will rank with the best that has ever been written for Pennsylvania.

Dr. Mitchell is one of the truly great men of our country. Noted as a physician, scientist, and statesman, he is regarded at home and abroad, and with countless duties to perform, he is a shining example of love and devotion to his Alma Mater. None of Pennsylvania's sons are more illustrious and none are more sincerely devoted to her interests. Like our beloved Provost, devotion to the University is his daily joy. To these two, in the last few lines of Dr. Mitchell's hymn, we say:

"Lo from above
Heaven smiles down on thee,
Take thou our love."

SMOKING IN COLLEGE HALL.

The Pennsylvaniaian feels that the Dean has taken a step in the right direction by prohibiting smoking in College Hall except in the basement. At the same time we regret that this idea had to be formulated and enforced as a rule. We had hoped that the students' regard for their buildings would not have made the posting of such a rule necessary.

For the most part it is only carelessness or neglect which makes a man forget his pride in some things. If the students would only step for a moment and realize how, by a little thoughtlessness, they can enhance the appearance of our college buildings, we are sure nothing more would need to be said concerning the matter. We realize the irresistible temptation to "light up" between classes, and it is not the habit at which the objection is aimed, but the accompanying carelessness. The nonchalant tossing of a cigarette or a match may, or may not, indicate character in a student, but it certainly does not increase the tidiness of our halls.

Visitors receive a warm impression, and we do not like to feel ashamed of conditions in our buildings which can be made unnecessary by a little thoughtfulness.

Some one has said, "Never make apologies; your friends don't require them and your enemies won't believe them." This is a good plan to follow. But a much better one would be to see that no apologies are necessary beforehand.

In the future THE PENNSYLVANIAN feels that any wilful neglect or disregard of the Dean's request can only be pure selfishness on the part of the students.
