"SOPHOMORE-FRESHMEN F 축

COMMUNICATION.

The Pennsylvanian for its members of
the University to contribute to this col-
umn, but is not responsible for the senti-
dents expressed.

College Boat Club Smoker.
Editor of The Pennsylvania.

"Remember," I beg to note that the
article appearing in yesterday's Penn-
sylvanian did not state the time of the
smoker of the College Boat Club
which will be given this evening at the
University Club to the candidates for the
"Varsity and Freshman crews.

The smoker will be given at 8.30. It
is particularly desired that all candi-
dates for both the Freshman and Fresh-
man crews be on hand. The reason
that the invitations were not sent to
all members of the varsity and Fresh-
man crews was due to an error as to
the date that the men were called out
by Coach Ward.

SOMEONE WANTED.

To Walk to League Island.

To-morrow afternoon the Walking
Club will venture out for the second
evening. This new Bulletin Building, at Juniper and Filbert streets, will be the first stop on the
trip, where a reception will be ten-
minated. The members of the Club and
the freedom of the building extended
to them. From here the course will be
drawn straight broad street to League
Island. The walk will be about four
miles from City Hall. One of the
League Island teams has been on a
raid and has been able to have the
building open for inspection. Last year the
Club chose its officers on route to the
Navy Yard. This year the Club
chose its officers on route to City Hall. The
Navy Yard, a distance of about six miles, made
the choice of the officers this year. A
commission for the coming year will
be announced and the names of the officers will be
published in the coming issue of the Club.

Call for Candidates.

All members of the Class of 1912 who
attempts to try for the crews will be
excused from the last two classes of the
day. The only members of the Class of
1912 who will be excused from the last
class will be excused. The only
members of the Class of 1912 who will be excused from the last
class will be excused.

For the information of any student
who might be in Boston that evening it is announced that applications will be accepted for members of the track team on Saturday, January 23rd.

This is no time for criticism. Give Pennsylvania the material and the support and see what can be done with them. Then if we fail it is time for other measures; but remember, that no system of rowing can win without the spirit of winning and the men to row the boat. Come out to this smoker. Show the committee that there is something at Pennsylvania besides a cowiring section. Pennsylvania's crew can win and you can make them do it.
