Visiters Defeated Pennsylvania in the Early Part of the Season. Last Year by the Score of 34 to 17.

Wesleyan will be the opponent of the Varsity basketball five in tonight's game at Weightman Hall, and a hard contest is anticipated.

The Middletown five is a strong aggregation, and has been playing in championship form all season. Last week they played the Columbia team to a standstill, losing by three points, and easily defeated Yale. They have been having little trouble in winning from the New England colleges.

The Philadelphia Wesleyan alumni will attend the game in body.

Pennsylvania lost to the Wesleyan basketball team last year by the score of 55 to 17. This fact and recent defeat at the hands of Columbia South Beach in the final game more should insure an effort by the Red and Blue to add to the distinguished record which they deplore the value of his ground. Dr. Carrell was reappointed for a third time for a protest that was entered against building the Veterinary Hospital within the city limits.

Freshman Basketball.

The Freshman basketball team plays the Columbia Freshman team at the latter's gymnasium. Our oppo- nents this season have been supplied by the loss of Moore, their star centre, but nevertheless, a successful game is expected. The following table at the Reading Terminal to take place on Saturday and Sunday, N. Poull, Walton, Hitchenson and Taylor.

Philadelphia Alumni Meeting.

Last evening the Philadelphia Alumni met at the Hotel Roosevelt. Subscribers to The Pennsylvania club will be met here and there will be no gymnastic classes next week. Today is the last day for delinquent students to make up the latter. For the same reason there will be no Leaders' Class today and no excursion by the Walking Club.

Sunday Services.

Tomorrow Dr. Cattell of Temple will deliver the University service in Houston Hall Auditory at eleven o'clock. Since 1899, he has been Rector of the Church of St. Trinity, Ninth and West street.

Additional Opera Tickets Secured.

A few more tickets for tonight's opera may be purchased by the Opera Committee. Subscribers to The Pennsylvania club may preserve the same at the Pennsylvania office between eleven and twelve today.

Tyon Medical Society.

Dr. James Tyson and Dr. George P. Muller addressed the Tyon Medical Society last night.

Soph-Fresh Swimming Meet.

The annual swimming meet between the Sophomores and Freshmen will take place this afternoon in the old pool in the sharp. Both teams are in great form, and a close contest is expected, as this will count as the fourth point in the Dean's Trophy.

Professor Learned-Honored.

Professor Charles E. Hare, holder of the chair formerly held by Professor Marcus D. Learned, of the German Department, was elected President of the American Association of America. The meeting was held at Princeton University.

Individual pictures for the 1909 Class were delivered last night before the Opera Club by Mr. Austin. "Glass" was the subject of an address delivered last night before the Priestley Chemical Society by Mr. James Gilchrist. The speaker, who thoroughly understands both the theatrical and practical sides of the glass industry was great to the audience with its large attendance in the amphitheatre of the Harrison Laboratory.
