The crews at Columbia will start rowing on the early next week. There are now about fifty candidates out, and eight is expected.

Baseball practice is being held daily in the cages at New Haven. A number of candidates responded in the first call for Varvity and Froshman teams.

Thirteen members of the Harvard hockey team, six months old, have been secured by Further negotiations. If we win once in every six years we again as once of our country. Could produce. I wish that 1910 C would realize that the chances for winning at Harvard are not as great. We will win in every six years we have won over twenty championships. We have won the Intercollegiate Regatta this year and when have we the championship with either eight men or four?

The pennsylvania is able to offer either of the clocks shown below at a remarkably low price.

A very important act is about to come up before the State Legislature affecting the examinations for all practicing physicians. The important features of the bill are the following:

1. That the examinations for all practicing physicians shall next year be conducted by a single board.

2. That medical students shall be allowed to take the examinations in the preliminary subjects at the end of the second year.

3. That the examinations be divided into two parts, one preliminary and the other final.

The Warrent Triennial Prize, Massachusetts General Hospital: The Warrent Triennial Prize was founded by the late Dr. J. Mason Warren in memory of his father, and his will provided that the accumulated interest of the fund shall be awarded every three years to the best dissertation, considered worthy of a premium, on some subject in Physiology, Surgery, or Pathological Anatomy, the arbiter being the president and surgeons of the Massachusetts General Hospital.

The subject for competition for the year 1909 is on some special subject in Physiology, Surgery or Pathology. Dissertations must be in either English, French or German languages, and must be typewritten and suitably bound, so as to be easily handled. Work that has been published previously will not be considered in competition. The name of the writer must be enclosed in a sealed envelope, on which no name or any other writing whatever is to correspond with one on the accompanying title.

Any class given by the dissertation or any action on the part of the writer which reveals his name before the prizewinner will disqualify him from receiving the prize. The prize for 1909 will be five hundred dollars. The dissertation will be received until April 14, 1909, Frederick A. Washburn, Resident Physician.

**Wrestlers at Cornell To-Night.**

Tonight's wrestling meet with Cornell at Ithaca will be one of Pennsylvania's most difficult contests. Princeton was defeated by Cornell and last week the Tigers experienced little difficulty in defeating Pennsylvania, so that the latter's success to-night is doubtful. The Red and Blue team has, however, been practicing diligently since their defeat, and is not lacking in confidence. The loss of Pike will naturally be a serious hindrance, as Lee Toffett, the former Merion athlete, will represent the Trustees in the heavyweight class. Following is the make-up of the teams:

Cornell: Chase, 116; Hotsford, 120; Davidson, 160; Troth, 164; Talbot, 176; Stefanoff, 186; Peake, 196; Phillips, 155; Peake, 164; Davis, 165; Tresh, 175; Talbot, heavyweight.

Pennsylvania—Cos, 115; Yerger, 116; Peters, 135; Captain Winkle, 146; Murphy, 164; Graham, 175; and Swartz, heavyweight.

**Fencing Meet with M. I. T.**

Pennsylvania's fencers will meet the Massachusetts Institute of Technology fencing team at 4:30 tonight at the Columbia Club of Philadelphia, Broad and Oxford streets. This meet, which will be the 10th held at home this season, was arranged through the courtesy of the Columbia Club, which will pay all expenses.

Although Le Moye has recovered from illness and will participate tonight, nevertheless a difficult contest is expected. The Institute's most dangerous man is Knox, a graduate of Annapolis and a member of the intercollegiate championship team of 1906. Personnel of the teams:

Pennsylvania-McCraith, Le Moye and Captain Wendell. Massachusetts Institute—Lawrence, Captain, Graham and Knox.

**Notice, University Students.**

The Evening Home and Literary Association, near Twenty-second and Chestnut streets, has comfortable dormitory accommodations for four resident male workers. Those in need of a place to return in return for work in the Home on two evenings of each week.

The Home is a boys' club, largely given over to entertainment and exercise, but with a certain amount of class instruction.

Any student of the University desiring a comfortable room in exchange for work on two evenings of service is requested to apply at once to George E. Nitsche, Bursar of Publicity, third floor of Houston Hall.

**Final Date for Paying Fees.**

Tuition and Gymnasium fees and Dormitory rents must be paid on or before March 5th at 5 P. M. in order to avoid payment of the three per cent penalty imposed under the University rule for non-payment within thirty-one days from February 1st. The Bursar's office is open from 9 A. M. to 5 P. M. daily. Each term there are dozens of students who overlook their accounts until after the last date of payment, and as a result are compelled to pay several dollars extra, as penalty for
