NEWS OF THE TRACK TEAM.

Intercollegia Meet Next Week—Two-Mile Relay Team will Face Cornell on Saturday Evening.

At the indoor track meet of George-town University, which will be held next Saturday—Feb. 21—in Wescott Field, D. C., the "Varsity" two-mile relay team, consisting of Blalock, Blalock, Blood, and Paul, will run against Cornell. Minds has also been entered in the sprint.

This is the last indoor meet of the season as far as Pennsylvania is concerned, and immediately after these games are over the team will start work on the outdoor track.

Track meets between the four classes of the College will be held on March 16th and 17th under the management of Trainer Murphy and Manager Gayley. Competitions between the several departments of the University will follow in April, and will bring to a close the indoor season. In these meets all the regular events will take place with the exception of the two hundred and fifty yards and the one hundred yard dashes, and the hammer throw, with the addition of a twenty-five yards dash. The primary object in holding these meets is to arouse more interest in track work and to get new material out. Trainer Murphy desires to impress upon every student the necessity of men interested in track and field work. Recently he said: "We have had a great many men express a desire to run, but we get very few others either can't or won't report for track practice." This statement is very much discouraged with the way track meets have been running.

The following men will kindly call at the office of the Athletic Association of a seventy-five yards dash. The track meets will follow in short order, and will be held In Madison Square Garden, weights; Captain Ryan, centre, Cerussi, guards; Markes, forwards; McNeill, centre; Kibbe, and Mcclennd, guards.
