OrCHESTRA TICKETS.

We advise all students and professors who expect to attend the concert of the Philadelphia Orchestra in the Gymnasium on Monday night to purchase their tickets today or not later than Monday noon, as there is a possibility that the supply may be exhausted and that some may have to stand.

This is the last opportunity to hear the Philadelphia Orchestra at the University this year. It is a great opportunity for the student body, and we hope to see them take advantage of it.

Gillette Safety Razor

Clean shaving is part of the college man’s gospel. It goes with the exercise and outdoor life— with good spirits and good health.

Five minutes a day spent with the Gillette Safety Razor keeps the face shipshape. The skin is soft and clear.

The Gillette Safety Razor has a big following among College men. The best shaved men on the campus use the GILLETTE.

The GILLETTE is kind to the face—the keenest and smoothest shaving edge ever devised. Any man can give himself a clean, satisfying shave with the GILLETTE—despite tough beard and tender skin.

The GILLETTE is handy—no stropping, no boxes. A mon of fifty cents a year.
