OPERA.

It has been found necessary for the Opera Committee to make a change in the date of distribution of reduction cards for the four remaining Student Nights at the Philadelphia Opera House. Beginning today the distribution of those cards at THE PENNSYLVANIAN office will be made from 3:30 to 5:30 on Thursdays and Fridays, instead of only on Fridays, as has been done so far this season. The Committee makes this change in order that the entire body of students may be accommodated. Some find the hours on Friday inconvenient, and this change will remedy this difficulty.

Mr. Charles Johnston, of the Bengal Civil Service, re tired, and who during the last term gave a special course of lectures on "Colonial Administration," at the University of Pennsylvania, will give an illustrated lecture under the auspices of the Graduate School entitled "A Tour Through India," in Hous- ton Hall, tomorrow afternoon, March 15th, at four o'clock.

Mr. Charles Johnston is a son of William Johnston, member of Parliament for Dublin. He was educated at Dublin and Dublin University, and became attached to the Bengal Civil Service in 1888. He traveled extensively in Holland, Belgium, Germany, Russia, Austria and France. He came to the United States in 1906 and became a naturalized citizen of this country. He is a noted translator from the French and a prolific author on Oriental subjects.

3
Crews in Rough Water.
Four Varsity crews with the new seating arrangement and the three Freshman boats rowed over a windy four-mile course yesterday afternoon. The first three Varsity boats engaged in a practice meet at the Boat House, the third crew being given about one hundred yards handicap and the first and second starting close together. The first crew drew slowly away from the second, and both passed the third at about half way, the work in this boat being rather ragged.

Coach Ward has disbanded the outside, as several of the men did not return. These men are now in the other boats. No accidents will be formed until the Varsity crews are more set.

The first crew has not been changed, and consists of Brown, Rogers, Schelling, Blevins, Walton, Sluemaker, Brand, Ballard, stern, and Westcott, coxswain.

The new seating of the other three Varsity crews is as follows: Second crew—Thompson, Holdor, Rieckhoff, Kiplinger, Townsend, Fox, Bennett, Smith, stroke, and Rosemeyer, coxswain.

Third—Thompson, Holdor, Kiplinger, Travis, Dawson, Reeves, Perkinson, Ellis, stroke, and Rosemeyer, coxswain.

Petit Varsity—Foniland, Kollie, Johnson, H. Brown, Meier, H. Smith, Howard, stroke.

The Petit Varsity boat retains the same except that he has taken Pownall's place as bow in the second crew.
