SWIMMERS DEFEAT YALE TEAM.

Relay Record Broken in Exciting Race—New Haven Players Prove Too Strong in Water Polo.

Pennsylvania's Swimming Team decisively defeated Yale's Swimming Teams of Yale in the University pool Saturday night, to the score of 37 to 16, old Yale men only winning two of the six events.

The winning of the six events were the breaking of the intercollegiate record, the women's victory in the diving contest.

The 10 and 11 Relay Team, consisting of Byrnes, Captain, Graham, Captain Dalrymple and Shryock, clipped two-seconds from the old record of 2 minutes 10-1 seconds, although for 10 the record stood.

Hopkinson won the plunge for distance among the men and was tied for the foot of 71 feet, one foot less than the record. Cheminau of Yale, third, has been ill for several weeks, which materially affected his performance.

In the diving contest the Pennsylvania's team was picked to win, especially in view of Yale's recent defeat at the hands of Harvard, but they were not expected to score so high.

Captain Richards for Yale scored all three points for his team and proved a tower of strength throughout the entire game. He also dived first in the contest.

One Relay—Won by Pennsylvania, composed of Byrnes, Graham, Dalrymple and Shryock, who broke the old record of 1 minute 52 seconds, with a new record of 1 minute 50 seconds.

This annual event, which was won by Zelo last year, is again strongly contended, and this year should prove no exception. The Philomath will be capitained by C. A. Drea and Zelo by Samuel. Both teams have worked together on the "Varsity" team that defeated Cornell at Ithaca, and their leadership of the teams should insure an interesting debate. Most of the other men have had more or less experience in debating.
