Junior Banquet Tickets.

At a meeting of the Junior Banquet Committee, held yesterday afternoon in the College Hall, it was decided to continue the sale of tickets until tomorrow noon. The number of tickets disposed of to date is sufficient assurance of a successful dinner. This conclusion of the sale has only been made possible by special arrangement with the Rittenhouse management, whereby twenty-five extra places are to be provided for to-morrow evening's banquet. Applications for tickets should be made at once to members of the Committee.

Swimming News.
Pennsylvania's swimming authority received information yesterday from the headquarters of the A. A. U. of America, located in New York City, that they had made a formal request that the fifth hundred yards national indoor championship swimming meet would accordingly be held here on Monday, March 25th. This would be welcome news to all swimmers, for it will bring the fastest swimmers of the country together in competition in this city.

Among the entrants are Charles M. Daniels, C. C. Bourne, and Handy, of Chicago. Daniels holds all the American records from fifty yards in one mile, besides the world's championship in the one hundred yards.

Of additional interest are the other events, which are now being arranged in conjunction with the main feature — the special one hundred yards swim and a water polo game, to be played in the English style.

Shaylock will represent the Red and Blue in the race, and will compete against Fauquier, of the New York A. C. It will be remembered in their recent meeting at the Sportman's Bow games they only defeated Shaylock by a scant foot, so that this race will prove a strong feature, especially as Daniels will be barred.

This is the first time in three years played in this city, and Coach Kipler has been training the candidates hard for this event. Pennsylvania team is entered against the representatives of the New York A. C. and as an exciting feature is predicted.

On Saturday, May 25th, the swimming and water polo teams will tour to New York, leaving en route in the games of the New York A. C. Four of the men will compete in a forty hundred yards relay championship.

This as a consequence necessitates the change of the meeting to Princeton, which is now scheduled for March 22nd. Pennsylvania has an excellent chance to lead the winning title this year, while the opportunities for a water polo championship are not so bright.

E. Hopkinson, Captain of the water polo team, in interview said: "It is extremely likely that the points with which you will express in the water polo and swimming will be handled," so that this will undeniably Pennsylvania's chances in every respect.

Harvard was unable to contest for her meet and is only defeated Shaylock for last Friday night, and forfeited to the White and Blue. The only meet still to be held are Yale vs. College of the City of New York, on April 25th, while Princeton meets Pennsylvania on May 19th, as previously stated. Candidates for the water polo team are now present. By 12 30 on Wednesday afternoon, and the trials for the relay will be held at five o'clock Thursday, at which time the final selections will be made for the New York trip.
