As a token of appreciation of the students of the University of Pennsylvania, Mr. Oscar Hammerstein, the author of that famous, hit stage play, will present a silver loving cup at the Phila-
adelphia Opera House, tonight, Monday, April 12th, Open-Track Schedule Announced. 

LOVING CUP FOR HAMMERSTEIN. 

Presentation Will Be Made at This Evening's Performance of "Quoila." 

To-night's performance of "Quoila," Flagg's latest farce, will be the occasion for the presentation of the loving cup. Mr. Hammerstein, who has made his name a synonym for success on the Broadway stage, is the author of the books for this and other famous plays. The presentation of this loving cup is the result of the efforts of the Freshman track team, under the management of Mrs. Delphinet and Mr. White, to give the best track team in the nation. The Freshman team has been foretold as the forerunner of success, and it will be interesting to see how the Freshman team will compare with the Columbia and other teams. The Freshman team is the first meet with Columbia since 1907 and the meet with Columbia also will probably set a winning squad on the Held on-
first meet with Columbia since 1907. The Columbia and the Brat team la the
man teams have been announced. The Columbia list is almost completed and the sched-
men as absolutely false. The Columbia list is almost completed and the sched-
enes. L. B. Rowe.

Mask and Wig Tickets To-Day.
Waiting for choice seats for the annual play of the Mask and Wig, fully two hundred students as well as men and boys of all stages of prosperity are in line for the sale of tickets, which begins at nine o'clock this morning at the club house, 310 Quince Street. The first of the line started at eight o'clock Wednesday morning and by Wednesday noon fully fifty were in line in front of the club house. By yesterday afternoon the number had so increased, and soap boxes as well as other improvised seats, had become so numerous, that two policemen were detailed from a nearby station in order to keep the sidewalk clear.

The waiters are working in relays—relieving each other at meal time and at night. Besides those actually com-
mmissioned to get seats are a great army of uncommissioned, who had secured places for themselves with the hope of selling out their positions at high figures. They stand a very good opportunity of disposing of their places, as the de-
mand this year will be greater than ever.

Last year the line was two blocks long, and, according to present indications, it will probably double last year’s record.

Forty per cent. of the tickets will be sold to patrons at the club house and another sale will take place at the Chestnut Street Opera House next Monday.

Freshman Baseball Practice.
Owing to the cold weather the freshmen were confined to batting practice yesterday. Thus for the pros-
pects are bright for a good fast team, the outfield is strong and there is plenty of good material from which to pick a battery. The team is to have its first try out next week, when they play Penn. Cheerleaders on the latter’s grounds at Queen Lane. The squad will report for practice today at ten o’clock.
