Arrangements were made yesterday for a race between the Yale and Pennsyl-

vania second-year crews, to take
place tomorrow afternoon on the Dela-

ware River. The race will be run in

the shape of a complete split in the
capacity ots of the two vessels. The

Varsity has been much disappointed over
the slowing of the second boat and has

been making a 'hard' hand; the second boat has been unable to

match a good pace for the "Var-

sity."

The shake up amounts to a complete
center of the second eight with the

centre at Boomer and the compon-

body and peace of mind as a most precious stock in trade. 

"Finally, to take a good grip on the joys of life, to play the game like a man, to fight against nothing so hard as my own weaknesses, and endeavor to grow in strength a gentleman, a Christian."

"So I may be courteous to men, faithful to friends, True to my God, a fragrance in the path I tread."

Orchestra Concerts Arranged.

Through the efforts of The Pennsylvania Association six concerts by the Philadelphia Orchestra have been arranged for the students of the University, to be given on consecutive Saturdays at 8 o'clock. Proposals have been received for re-building of the old concert hall and action will be taken upon them at this meeting. The three concerts on the Cheltenham street side of the field are now being put into condition, and will be ready for performance in a few days after the rain does not interfere with the rolling.

Work Begun on Tennis Courts.

The Democratic tennis courts begun last spring were not completed until the recent rains interfered with the green turf of the "Quad." Officers state that the work will be steadily continued, and in a short time the courts will be completed.
