PAUL BREAKS TWO-MILE RECORD

MAKES NEW COLLEGE MARK OF 2:28 FOR THE DISTANCE.

Time Six Seconds Better Than Inter-collegiate Record—First of the Spring Handicap Races Run Off.

W. C. Paul yesterday afternoon demonstrated that he is a wonderful distance runner, when he lowered the record held by twelve other contestants. The race was started by Professor Albert T. Clay, of the Archaeological Department, at 2:20 o'clock, from the broad jump. Hough, the scratch man, was second, and Archibald third.

The meeting went on without any incident, and was concluded at 3:10 p.m., the last race being another 100 yards dash. The distance ran was 2 miles 34 leaps, the time being 11 minutes 39.28 seconds. Flanagan was second, and Archibald third. Flanagan's fourth vault Pickles cleared 11 feet 9 inches, which length of his vault was 14 feet 4 inches. His mark did not equal his, he was forced to be content with third place. The summary:
