WHARTON SCHOOL ELECTIONS

Association Chooses Blish President, Bailey, Vice-President, and DeVine, Secretary, for 1909-10.

After an exciting election Herbert H. Blish, Jr., was yesterday chosen President of the Wharton School Association for the coming year, and with him were elected to office William S. Blakeley, Jr., 10, as Vice-President, and Robert F. Devine, Jr., 11, as Secretary. Votes were received from the freshman until quarter past two, and the general interest taken was made evident when the votes reached their counts, which showed that a larger number of ballots had been cast than at any election in recent years, fully 75 per cent. of the men in the Wharton School voting.

H. H. Blish, who was Secretary of the organization during the past year, is well fitted by his knowledge of the activities and administration of the Association, to carry on its work. He was a member of the 1910 Junior Banquet Committee and managed the play recently given by the Corinne Franks. William S. Blakeley, Jr., the new Vice-President, has been a member of the Varsity track team for two years, his event being the pole vault, and is also well acquainted with his new duties, having frequently served on Association committees. Robert F. Devine, Jr., who was elected Secretary, is a member of the Sophomore Class, and served on the 1911 May Day Committee.

The new officers will be installed at the annual meeting of the Association, which will be held some time during the present month at Logan Hall, and at the same time plans for the coming year will be discussed. Al- ready literature concerning the Wharton School has been sent to every man in the graduating classes of all the preparatory schools and high schools of any size in the East and to many of the schools in the West. The phenomenal growth of the course in Finance and Commerce is due in large measure to this work, which is carried on each year by the Wharton School Association.

Latin-American Club.

A committee of three has been appointed to look after the welfare of the newly striving Latin-American students. The following men form the committee: A. Mata, H. Miranda, C. F. Sanchez.

The management of the Musical Clubs was warmly thanked for good work done this year, and heartily congratulated on the very successful season now drawing to a close.

On Friday evening, May 14th, a special Student Night performance will be given by the Combined Clubs in Wheatman Hall. This is the second concert given by the Clubs to the students this year, and much interest is being shown in making it as successful as the first.

STRAIGHT VICTORIES THE RULE.

The baseball team has struck its stride. Consistent hitting and fielding behind an excellent pitching staff are beginning to tell. Straight victories seem the rule. Marvelous improvement over the early days of the season is a great source of satisfaction. Only let the stride keep up and Pennsylvania will not look in vain for a nine this year.

HOUSTON CLUB VANDALISM.

The attention of The Pennsylvania has been called to an annoyance which is well worth consideration since it affects every person who makes use of the Houston Club reading room. It is almost needless to mention that we refer to the unrelenting, annoying and other mutilations to which the files of the daily, weekly and monthly publications are often subjected.

We need hardly state that such individuality as are guilty in this regard are laying themselves open to general student criticism, as well as to the regulations of the Club, which make the offense punishable by fine and expulsion.

It is annoying in the extreme to search for an article and then not find it, simply because it has sufficiently interested some other individual and he has thought it worth his time and trouble to secure it for himself, thus depriving others of the right to enjoy it.

We feel it our duty to warn all such as are in the habit of abusing their club privileges that they are being watched and, should detection result, they will of necessity be compelled to take the consequences. It is a matter which affects the rights of every Club member, and it is only fair that these rights should not be sacrificed for the benefit of any one individual or group of individuals.

1912 CRICKETERS VS. HAFEORD.

The second Freshman cricket game of the season will be played this afternoon against Haverford School at the Merion Cricket Club. Manager Cowell has arranged several games for the first-year men, and it is hoped they will turn out reputedly in order to aid a good showing in the coming matches.

The following menu will take the 2:12 train from West Philadelphia station this afternoon: Beinsewallinger, Gilling- ham, Shafer, White, Atlee, Col- lins, Haskell, Evans, Sims and Bon- terman.

Brotherhood of St. Andrew.

The Annual Charter of the Brotherhood of St. Andrew invites all Episcopalians to be present at a smoker to be given in the Houston Club on Wednesday evening, May 12th, at 8:15. Speeches by Dr. F. Tompkins and Dr. Williamson will be followed by refreshments.

Second Cricket Team Notice.

The following form of the Second Varsity Cricket Team will take the 2:12 train at West Philadelphia station this afternoon: Beinsewallinger, Gillingham, Shafer, White, Atlee, Collins, Haskell, Evans, Sims and Bonterman.

The full team will be announced in the next issue.

SECOND CRICKETERS V. ALUMNUS.

Pennsylvania's golfers lost the final at the hands of the Tiger team at Princeton on Saturday afternoon. Of 9 holes, intercollege matches are won by Pennsylvania, Captain W. II. Pfeil was the only member of the Red and Blue team to score.

VARSITY GOLFERS DEFEATED.

Pennsylvania's golfers lost the final at the hands of the Tiger team at Princeton on Saturday afternoon. Of 9 holes, intercollege matches are won by Pennsylvania, Captain W. II. Pfeil was the only member of the Red and Blue team to score.

ACADEMIC LECTURE.

The concluding lecture in Course 48, Special Lectures, will be given at 2:12 P. M. on Wednesday, May 12th. Professor Jeffries will give an excellent lecture on "Private Life in Rome under the Empire."

CRICKETERS WIN FROM ALUMNI.

The Varsity cricket team defeated the Alumni on Saturday at Haverford by the score of 8 to 7. Captain W. II. Pfeil starred for the undergraduates, while Graham and Pierce showed up well for the alumni.

EASTERN COLLEGES.

Of 1,668 "men" who have graduated from Minnesota only 380 have been married.

Seven hundred and twenty-four students at Missouri are children of farmers, and have graduated, better represented than any other.

Annual Banquet Notice.

The annual "swinging out" dinner will take place last Tuesday, in cap and gown and they4p equally pleased the campus.

"The Mikado," a well-known comic opera, is to be given at "Mentone," and a daily paper reports the Japanese gladiators, then as being opposed to its production.

The game was well played, only four errors being made. Dartmouth showed a good team and the men backed ShVeige well. Coles, Cockrell and Stellay played excellent ball for Pennsylvania, while Brady was the best for the visitors.
