Freshman Crew Easily Wins. Yale in a close battle with the Freshman crew had no trouble in defeating the Central High School crew in a race of three miles and a half. The Freshman’s time was 8 minutes 30 seconds.

Zeta Loses Debate. The Zeta Psi and Psi Upsilon debating team was awarded the decision over the team representing the Agricultural Department in the second debate held last night in Price Hall.

Chinese Students Entertained. Mr. W. F. Houston held a reception yesterday afternoon at his home in Chestnut Hill for the Chinese students. Over twenty were present.

Yale in Track and Field. Yale will probably prove the hardest proposition the Varsity has met in baseball this season. The New York University boys have won their last four games and among the colleges they have defeated are Virginia, Fordham, Trinity and the University of Pennsylvania.

There is hardly a college team in the country as many experienced players as are representing Yale this season. The talent is largely made up of former Andover men, who have seen seven or eight years of college ball, as the well-known preparatory school turns out teams which rank with the colleges. Yale is awash with Pennsylvania’s excellent record and will make an attempt to put the Varsity out of the game and establish Pennsylvania’s reputation.

Shutes will have his hands full tonight to keep Bitters like Murphy, Budge, Pattern and Goman from securing against every pitch they have faced this year.

The Cornell and Pennsylvania Fresh- men will engage in their annual track meet on Franklin Field at eleven o’clock this morning. All the usual track and field events will be held, and as Cornell has an unusually strong team this year, the meet will be hotly contested.

Following the dual meet the Middle Atlantic Intercollegiate Championships will be run off. The pick of the Middle States schools will contest for the championships and several records are sure to fall.

Among the schools entered are Hill, Lawrenceville, George School, Phila- delphia Central High, Northeast Man- sions, Southern High, Chester Charter, Central Manual, De La Salle, Princeton Pre- paratory, Chestnut Hill, Germantown.

The United States Naval Academy will be the opponents of the Varsity in a dual track meet at Annapolis this afternoon. The Midshipmen are repre- sented by a strong team this season and they have already been victorious over Johns Hopkins at The Pennsylvania in dual meets. The mainstay of the Gold and Blue squad is Carey, the pugilist, who is credited as having done the ex- ceptional time of 9.5 seconds in one hundred yards. As he was done with a good wind at his back, it is likely he will be reported today.

This meet will be the last thorough try out the team before Frank Field. The intercollegiates at Harvard. The en- tice for Pennsylvania as announced yesterday by Manager Geyelin are as follows:

Freshman Baseball Game To-Day.

Freshman baseball team left West Philadelphia Station last night on the 3.15 to Haverford, where they will play the Cornell Freshmen in the second collegiate contest of the season. The Pennsylvania crew has won both games so far this season, and these with near high schools, which were easily defeated, so no surprise to the outcome of the opposition team can be drawn from comparative scores. The Cornell boys have been seen to have a wonderful pitcher in Foster, who struck out the first eight men to face him in one of the recent games. The Pennsylvania Freshman team has played about a dozen games, defeating the Yale 1912 team recently. The following men were taken to Haverford: Captain Deacon, Pierce, Harrab, Hawk, Tandy, Richmond, Hall, Freas, Smith, Stans, Foster, Goods, and Roberts.
