Hutchinson’s Big Gain Open Way to Long Runs Defeat Dickinson, 18-0

The football game between Pennsylvania and Dickinson was played before a large and enthusiastic crowd at Franklin Field Saturday afternoon.

The play of the game was as good as the teams were, and the score of 18-0, recorded by the visitors, indicates that the Red and Blue failed to carry the ball for a sufficient distance to convert the advantage into points.

The game opened with the tall behind the goal line. Hutchinson, Braddock and Sommer followed the ball closely, and several times Large allowed Mt. Pleasant to evade it to the two-yard line. Sommer then showed excellent judgment in the matter of giving the ball to the two-yard line. Sommer was stopped on the two-yard line.

The play was not well seen at all, but open play was not seen at all. For Dickinson Mt. Pleasant was the star player. Mann made two long runs that gave the visitors their advantage here, and are subscribe s to the Moody, who cannot attend the opera, on the fifth men and In admitting members to the parquet circle and parquet of the opera house, or to the box circle and box circle of the opera house, or to the box circle and box circle of the opera house. MUSICAL CLUBS PREPARE.

Material Better Than Ever—Several Concerts for Varsity—To Tour New England.

With a hundred and twenty-five candidates out for the Combined Musical Clubs, Saturday night in Houston Hall, Manager R. L. Burns, ’19, Law, says the prospects for this year are very good. He adds that the material is better than in the past, and is up to the standard set by Pennsylvania.

The management is working hard for two trips, the annual Christmas tour probably to be in New England, taking in Boston, Portland, New Haven, Hartford City, New York City and several cities of considerable size and importance. The exact nature of the trips is not to be had at present, but will be mentioned within the Pennsylvania columns within the next few weeks. However, it is quite certain that a big concert will be held at the Bellevue-Stratford on the evening of November 24th, and it may be that an agreement for a joint concert with some other University glee club will be foreseen soon. Germantown is to have the glee club in the near future for a one-night engagement.

GENERAL HOWARD'S ADDRESS.

Veterans of Many Battles Speaks at the Houston Club Sunday Services.

Every seat in Houston Hall was occupied yesterday morning when Maj.-Gen. D. O. Howard addressed the University services. He made a very interesting speech, taking as his point of departure the text found in the last two verses of the third chapter of John. In seeking to convey the true ideal of a father's love, he cited many interesting war adventures, around which centered some beautiful stories of a father's love for his son. His picture of life were at once forceful and inspiring. He also spoke briefly on the wrath of God, stating that, while he had often been questioned as to how this wrath could stand alongside of God's boundless love, he was of the opinion that the conditions of man himself made the wrath apparent, and not any Heavenly anger.

The quartette rendered Stebbins' "I've Found a Friend," and "Oh, Saving Host!" was sung by all.
