MASCAL AND WIG ELECTIONS

J. Hartley Merrick '90, C. Selectee as President to Succeed J. Warren Coutoul, New Business Manager.

Over fifty members attended the annual fall meeting of the Freshmen and wig club house, 136 Quince Street.

The election of officers for the ensuing year took place and J. Hartley Merrick, '79 class was selected presi- dent to succeed J. Warren Coutoul, '10 class, the retiring officer.

Reports were heard from the various com-
mittes of the organization, presented by the several chairs.

The business department reported an unusually successful year and the organization planned exceeding the ex-
peditions of the past.

In the entertainment a special feature in addition to the usual tea was the first time that the club room in the residence of the club was opened to the members of the University, at which time a banquet and a reception would take place.

The Wednesday evening football game, scheduled for the following Saturday afternoon at the football ground, was postponed due to the weather conditions.

A smoker will be given on the second of December, and it is requested that all members of the fraternity should be present.

The meeting of the Freshman council was held in the club house on Thursday evening.

The council was called to order by President Merrick and the following officers were selected:

President, J. Hartley Merrick '90; Vice-President, J. Warren Coutoul '10; Secretary, J. W. B. Wells '10; Treasurer, W. D. Keane '10.

A new resolution was adopted in favor of the proposal for a $100 per annum scholarship for the study of French in the University, which was to be given to the Freshman who ranked highest in the French department at the end of the current academic year.

The meeting adjourned at 10:00 o'clock.

CAPTAIN MILLER AT HALF AND HUTCHINSON SHOW EXCELLENT FORM, WITH THAYER AGAIN PLAYING AT QUARTER.

With a brisk northwest breeze and a large attendance of alumni and friends, the annual football game between the Pennsylvania and the Franklin College teams was played on Saturday afternoon.

The Pennsylvania team had been coached by Coach Snook and had been practicing hard for several weeks. The Franklin College team, however, was not able to attend the game due to a previous engagement.

The Pennsylvania team won the game by a score of 12 to 0, and both teams played well throughout the game.

MILLER GIVES CHROMIUM TO WILSON.

Professor B. S. Miller gave a lecture on the chemistry of chromium to a group of students on Wednesday evening.

The lecture was well attended and was given in the chemical laboratory of the university.

In addition to the lecture, Professor Miller also gave a demonstration on the properties of chromium.

The lecture was well received by the students, who showed great interest in the subject.

The Pennsylvania State University has made a successful showing in the annual football game against the Franklin College team.

In the first half of the game, the Pennsylvania team scored two touchdowns, while the Franklin College team was held scoreless.

In the second half, the Pennsylvania team scored two more touchdowns, while the Franklin College team failed to score.

The Pennsylvania team won the game by a score of 14 to 0.

The game was played on a fine day, with a strong wind blowing from the northwest.

The Pennsylvania team showed excellent form throughout the game, with Captain Miller at half back and Hutchinson playing at quarter back.

The game was attended by a large crowd of spectators, who showed great interest in the game.

The Pennsylvania team will now turn their attention to the remainder of the season, and it is expected that they will continue to show good form.

The game was attended by a large crowd of spectators, who showed great interest in the game.
too enthusiastically that every Freshman in its make as active interest in all its details. The time to begin is this evening.

Beginning with the Brown game on Saturday, the cheering sections will be located in Section U and the sections to the East of C. Details of this arrangement were printed in yesterday's paper. We look for a decided improvement in the cheering and singing since this arrangement will eliminate the tendency of the student-body to scatter itself over the entire North Stand. With efficient usherers to see that no man who does not hold an A. Book is admitted to the cheering sections, we believe that the arrangement will prove highly satisfactory.

NEWS OF OTHER COLLEGES

Tango Club of Princeton to Produce "His Honor The Sultan." This play chosen by the Princeton Triangle club for this year's production is called "His Honor The Sultan," and was written by Cyrus Mc Corinck of the class of 1912. The Chinese students of Yale have arranged a Bible class to meet on Sundays after the Chapel service. They have chosen "The Evidence of Christianity" as the subject for the first term and "The Life of Christ" for the second. Presently there are twenty Chinese students at Yale.

A large number of students have reported for the soccer team at Princeton. The schedule is being aptly filed.

New York University has started a school of Journalism with several newspaper men, including Professor Joseph Franklin Johnson, who was a professor in the Wharton School of Finance and Commerce from 1893 to 1891. The usual criticism voiced against the teaching of journalism," Professor Johnson says, is based on the claim that it can be taught only through actual experiences. My experience, however, both as a practical newspaper man and as a teacher, makes no confident that a university can be of great service to any young man or woman who wishes to do newspaper work. Many of the young men who studied with me in school of journalism at the University of Pennsylvania a dozen years ago are now having very successful work, and I am sure that education and training have made them much better newspaper men than they would have been without it.

Regular gymnasia classes will begin about November first; the roster has not yet been completed as the number of students in each department was not made known before yesterday.

Over 500 Presumes have had their examinations, and those who have not been examined or have not secured a locker, are urged to do so at once.
