Prominent Men to Speak—Everybody

MASS MEETING

The coaches have authorized this meeting because they, as well as the players, feel that the game with Root College marks a very critical period in the football season. Mid-It Is necessary that they receive the best and heartiest support from the student body in order that the game may be won.

The hand will be held to help in the rehearsal of the song, and the primary purpose will be to coach Smith, Stofer, Worn, Thomas, Trew, and Captain Miller.

In regard to the topic, Pastor Munsey said yesterday: "State College has one of the best teams in its history. With the exception of the football field which has played together for three seasons and last year's team, personally matched, and bill" Holloway teaching their team in all it will, we have as far as possible a proposition in hand. I expect to have the Indian's main trouble in the past has been poor coaching, but this year we have had a start well-organized and the change will be noticeable.

A series of moves to be used against the substitute bench. The early part of the afternoon was open for practice. At one o'clock, Captain Thayer taking place at quarter back, while Cornell sat at the substitute bench. Vernon Stover spent most of his time giving pointers to the back men, and Coach Larp, whom he has been trying for the last few games, back at end, "Alec" Thayer taking place in the subs, while Cornell sat at the substitute bench.

Dr. Cornelius Weygandt, Professor of English Literature, will conduct the Chapel exercises next week. Dr. Spangler, who梯,er professor, will take his turn in the Junior boat, and the personnel of the Dental crews will be announced at the Dental crew meeting, which is to be held some time in November.

It was announced in yesterday's paper that the first regular football mass-meeting of the season is to be held at 8:15 this evening in the Dormitory Triangle. A great turnout is expected. Coaches, trainers and members of the eleven are looking forward to the revival of spirit on the part of the undergraduate supporters of the team. Such a revival of spirit is sorely needed.

Not only in the mass-meeting held for the purpose of evidencing the student support of the team, but every man who makes one of a gathering of this sort learns Pennsylvania is so doing.

A University memory which holds no picture of the cheering, singing crowd in the Triangle of an Autumn evening with gay Wenel on the softball and players, is but a poor memory. Every Pennsylvania man should know this and continue this opportuni-

The Pennsylvania takes pleasure in announcing the return of Roland M. Hunter, ’11, to the board as associate editor, after a year’s absence from college.

Professor Weynandt of the English Department, is to conduct the Chapel services for the week beginning Monday October 25th.

Every member of the student body knows Professor Weynandt. He has the respect and admiration and friendship of every man in the University. It is confessed, however, that those who are more familiar with the rear of the Chapel may be a trifle doubtful as to whether the professor is equally familiar with the front of it.

One hundred and two men attended Chapel services yesterday. This is an increase of fifty-two over the attendance Wednesday. It is cause for satisfaction to note that interest in Chapel is growing. The undergraduates are convinced in keeping the at-

The Chapel services appeal strongly, We are given an opportunity every week to join some professor from one of the officers of the main departments of the University and to those who have been in attendance the last three weeks, I am sure, will agree with me that an uplift was given by the speakers in every talk delivered.

The Chapel is growing. The undergraduates present, the more will be the honor to Pennsylvania. Attendance at the two hun-

CHAPEL INTEREST GROWING

One hundred and two men gathered to hear Dean Fisher's talk on "Be Yourself." Football Team present.

Indicative of the live interest which is now being taken in Chapel was the greatly increased attendance at the exercises yesterday morning. One hundred and two men gathered to hear one of Dean Fisher's earnest talks, and to listen to the Houston Club Quartette, whose musical work is exciting as much applause. The "Ye Olde Tyne Lunch Shop" has been appointed to personally invite every Freshman to attend. The Smoker, which will be held in the Engineering Building, on Friday evening, October 29, given by the three upper classes in Mechanical, Electrical and Chemical Engineering. The entering classes in those departments and the primary object is to introduce the first-year men into the Engineering Department.

While no definite plans have as yet been made, it is hoped that Vice-President E. F. Smith and four or five other members of the faculty will speak, in addition to a number of prominent undergraduates. An attempt has been made to get the Glee Club a furnish entertainment during the evening.
