MILE 4

NAVY GRANTS REQUEST

West Point and Annapolis Cancel Annual Football Game en Account of Death of Cadet Byrnes.

The Army and Navy football game has been positively curtailed. The Annapolis authorities have notified the Commandant of the United States Naval Academy, that the game be canceled on account of the death of Cadet Byrnes, due to injuries received in the Harvard game.

Captain Byrnes, on the Naval Academy, when interviewed, gave his opinion by a representative of The Pennsylvaniaian, and said:

"The game is off. The following telegram has been sent to Colonel Stienton:"

In the event of the annual football game at West Point, Navy requests Army's submission regarding the annual football game this year. I don't care to say anything about the feeling at Annapolis, although the cancellation of the game. We realize that it is not the place for what we want to do. We want to discuss the question.

The decision of Captain Byrnes was postponed as long as he has some way out of it which some way might be found in which to play the game.

The West Point authorities have issued an order canceling all the remaining games on the schedule. Whether this decision will mean that the Military Academy will play another football squad is not known, although most of the authorities seem to feel that the abandonment of this year's schedule is part of a tribute of sentiment for Captain Byrnes and a reminder of football.

The death of Cadet Byrnes, together with the other fatalities that have occurred in 1909, has brought up the annual football game en Account of Death of Cadet Byrnes in 1909.

PULL BALL RIGHT TOWARD

Undergraduate Committee Gets Ball From Funds

At a meeting of the Undergraduate Committee, in The Pennsylvaniaian office, last night, it was announced that the annual pull ball right will be held on Franklin Field at 1 o'clock on the afternoon of Monday, May 31, 1909, according to the schedule of the Pull Ball Committee, for the purpose of raising funds for the benefit of the senior class. The total sum of $11,000 has been recently announced to be contributed by the City of Philadelphia in aid of the senior class, and the $11,000 has been contributed to the senior class. All Pennsylvania games will be played on Franklin Field, and the senior class will be represented by the senior class, and the total sum of $11,000 has been contributed to the senior class.

The committee also decided that the Pennsylvaniaian will be held in the Franklin Field Labor Day games. The elections will be held in the afternoon of the football games.

The elections will be held in the afternoon of the football games. The senior class will be represented by the senior class, and the total sum of $11,000 has been contributed to the senior class.

Considerable regret is expressed over the decision of the institutions, although the action is called a step in the right direction. The contest is nothing but a necessity in the face of circumstances, and is looked upon as a cornerstone of the old system of appointment that has marked all the relations between the two schools.

Organ Recital This Afternoon

Arthur H. Johnson, Jr., 1912 College, is to give an Organ Recital this afternoon at 4:30 o'clock in the Cameron Club Auditorium. Notices, explaining the meaning of the recital, will be published on the platform. The performance will be given by the Organist, Mr. Samuel Rosenbaum.

The playing of Jeanne Lauer, a faculty member, will be favorably received by several well-known students, among them Frank Denker. It is interesting to note that the "New World" orchestra will be taken over by the orchestra for the performance of the song that was played at the recital.

Important Notice

There will be an open meeting for all of the candidates for the editorial board of The Pennsylvaniaian in the office this evening at 6:15 sharp. Every one must be on hand.

Mr. Mitchell has acted for the past few years as assistant to Coach Wharton and is familiar with the game in every particular. Hollis Hillwell, Maguire and Braddock were appointed tellers for the election which will be held next month for directors of the Board, and Osborne and Neale as auditors. The committee also announced that the cancellation of the American games will not in any way affect the University. The Government has in former years empowered Provost Harrison to appoint a special committee, which took charge of all the details of the game, and all expenses were met by the Government.

FARMER JOINS MERCER'S TOUR

Pennsylvania Settlement Worker is to visit American Universities with Sensational Tale of Salvation.

Thomas Farmer, of the University Settlement, is to be with Edward C. Morse, the college man's preacher, on his whirlwind tour of American Uni-
versities this year. The campaign opened today at Cornell University, in Ithaca Hall. Both of these men have been at the University for nine years. Mr. Mercer speaks a week at Pennsylvania calling the students to open meetings and in fraternity gatherings his life history. He points out what, in his mind, are the dangers and temptations of the college man. During the past college year Mr. Mercer spoke to 20,000 undergraduates and appeared at 321 Green Street fraternity houses. He will be at Pennsylvania later in the week.

Mr. Farmer has been a resident helper at the University Settlement House for four years. He has often spoken to the students on pressing

questions. The Cornell Sun, in satiriz-
ing the coming of Farmer, says: "Thomas Farmer, a personal friend and associate of Mr. Mercer will also be here. Mr. Farmer for thirty years followed the occupation of a profes-
sional rabbi. Fifteen of these years he spent in four different state prisons; for eighteen months he was in military confinement. He was a con-
tumacious jail breaker and has rubbed in almost every state from New York to Texas. His career of crin-
culated in New York City when he was taken as an escapese of the Water Street Station.

Water Polo Squad Small.
Candidates for the water polo squad reported again today, but there was still a deplorable absence of new men, all those who have been consulted as to the prospects of the team. Captain Pott

said that, while there was good material out, the only chance for a championship team in the Acquatic League is in the recruiting and con-
stant practice of new men. "We can only develop a good team through the steady work of a large squad. Men

are needed for the Chase and Trinity teams, and it is up to the lower classes to produce the new material required,"

Coach Kiefer said the same thing: "We need new men. Every-

one on the team is open to competition.

The following men from last year's squad returned: Captain Francis

man, Wright, Schmidt, Rutherford, C. Clement, Ward, and Block. The new

men: Lewis, Muenster, T. Clement.
