The Mask and Wig Societies will hold a special meeting tonight at 7:30 at the Whitefield Club. as a preliminary meeting to the coming Chinese Club presentation. The meeting will consist of the trustees and promote the Chinese Club plans. The Chinese Club will hold a special meeting this evening at 7:30 at the Whitefield Club, also as a preliminary meeting to the coming Chinese Club presentation. The meeting will consist of the trustees and promote the Chinese Club plans.
A challenge from Harvard to Penn will also be received to play a five round chess match in New York City. This has not as yet been settled. On December 27, 28 and 29, according to Whitaker and George Weir, will represent the University chess team in the triangular League in New York City at the Rine Chess Club. Last year Pennsylvania was permanent president of the Rine Trophy.

Freshman Debate Team Chosen. Twelve to nine firm men, the largest number which has ever come out for a class team, raised yesterday in College Hall, on the occasion of another resolution of immigration.

Owing to the above number present the speeches in rebuttal were not given. The following men were chosen: C. B. Rhodes, J. A. McKenna, H. L. Stover, and W. P. Kellogg, alternates. Dr. W. P. Kellogg, F. W. A. Childs and P. V. D. Shelley were the judges.

FINALE TO GREATEST SONGS.

At a meeting of the Sophomore Class, held yesterday, Finidinier was elected custodian of the Bowl. The other nominees were Beal, Hall, Grant and J. F. Wilson. Two amendments to the constitution were made to the ex-officio membership of the Executive Committee and the other to the list of officersholders, were voted upon and adopted by the class.

CHINESE CLUB WILL ENTERTAIN

Oriental Students First in a Series of "Nation Nights" Under Auspices of the Cosmopolitan Club.

Cosmopolitan Club members will participate in a series of "Nation Nights," now being arranged for the balance of the year. The first will be given next spring by the Chinese Students' Club of Pennsylvania as a "Chinese Night," in which the students and faculty bodies will be invited. Chinese songs will be sung, music played and clever stunts performed. The introduction of such an entertainment will be decidedly a novel feature among the undergraduate life of the University.

Arrangements are also being made by the Cosmopolitan Club with the other foreign students' clubs in Pennsylvania to give similar entertainments. Although no definite conclusion has as yet been reached, it is more than probable that the "Chinese Night" will be followed by "Japanease Night," "British Night," "Latin-American Night," and possibly others.

The Cosmopolitan Club has been making great strides during the past twelve months. Although only in the second year of its formation at Pennsylvania, it is now placed on quite a solid basis. Its membership has already reached the half hundred mark.

The club will send two delegates to the Cosmopolitan Club Convention, which will be held at Ithaca, N. Y., December 22nd.

The renting of a permanent club house, where members of the club and representatives from various countries can conveniently meet and exchange ideas and views is now under the serious consideration of the members. The club's ambition of having such a common meeting place is expected to be realized soon by the students.

Surgical Prize Awards Interest.

Much additional interest has been taken in surgical research work in the Medical School of the University of Pennsylvania since a fund has been created for that purpose. The committee in charge of the fund is composed of Dr. Charles H. Frazier, Dr. George P. Miller, Dr. John Rhees and Dr. Edwin Sweet.

Seventy-five dollars will be awarded to the member of the third year class of the Medical School who presents, on or before the third annual meeting in the Undergraduate Medical Association, in 1931, the best essay based on the results of original investigation in surgical anatomy, surgical pathology or surgical physiology. Observations may be made upon patients in the surgical service of the University Hospital and upon the material in the Anatomical Laboratory, Laboratory of Surgical Pathology or of Experimental Surgery.

Instructors for Chinese Wanted.

Two men are wanted for teaching positions at the Clinton Christian College, Canton, Ohio. This college, which is exercising a powerful influence in educating the Chinese, has a faculty made up of young Americans from Pennsylvania, Cornell, Hamilton, Minnesota, Vermont and Johns Hopkins. The Christian Association here has been notified of the openings, and advised that they offer unusual opportunities for the college man. The term of service is for five years, and the successful applicants for the situation will be sent out next summer. Details of application can be obtained at the Christian Association rooms.

Freshmen West Pipes.

These members of the Freshman Pipe Committee attended a meeting held yesterday in College Hall. The lack of interest is hard to understand, in view of the fact that the class pipes are always on sale. A meeting of the Pipe Committee will be held today in Room 106, College Hall, at 1 o'clock, and it is imperative that every member of the committee be present.

The lack of interest is hard to understand, in view of the fact that the class pipes are always on sale. A meeting of the Pipe Committee will be held today in Room 106, College Hall, at 1 o'clock, and it is imperative that every member of the committee be present.

"THAT NEW SUIT"

Should be made here, because we have the biggest stock in the city and make Stylish Clothes at moderate prices. The "Penn" boys have treated us well and we do our best for them. The sad season is a rough light gray cheviot for a suit. We make more overcoats than ever and this season we have over 500 styles.

Suits, $25.00 to $30.00. Overcoats, $25.00 to $50.00. Full Dress and Tuxedo Suits, $35.00 to $65.00.
