NEW ZOOLOGICAL BUILDING

Splendid New Laboratory to Cost A Quarter of a Million Dollars Soon to Be Erected.

Amusements are being made for the occupied space over the east twenty-eight and thirty-eight Pine street. It will contain the Zoological laboratory and an exhibition furnished yesterday that shows the progress of the building and apparatus, will be more than a quarter of a million dollars.

This building will be put up back of the present site and directly west of our old Biological Hall, in which the Zoological Department is housed.

According to the proposed outline the new building will have a frontage of two hundred and twenty-five feet along Hamilton Walk. The architecture will be the same as that of the present Biological Hall and will contain a number of floors from the site where the new building is to be erected.

The present site has been purchased within recent years. In the month of March, when the author's request was submitted, a number of new candidates will probably report for the Freshman team at the University.

Baseball Turnout Small

In response to the call of Coach Thomas and Captains of the batteries, but three men turned out, Ed. Thayer, '13, and Durand, '12.

A few men were called for, but not even a dozen answered on the first day. Coach Thomas said that he was somewhat disappointed. He said that he wanted to turn up a few men, he could get in no work of importance until he had more material to pitch from.

Two other men who played on the Freshman team last year were called on to report, but they will bring no work of importance outside of two or three members. It is hoped that the building will be erected within the next five years. The present building will last about ten years.

The committee on examinations have submitted a report which has been approved by President College and the Department of Business.

Mid-Monthly Swimming Meet

Novice Show Good Form—Coach Kistler on Swimming Outlook.

Although not marked by surprises or any extraordinary exhibitions, the regular bi-monthly swimming meet held last night, was decidedly successful, due to the continual variety of events. Results follow:

H. B. Y. Yards Handicap—Won by Cor.
Y. S. K. Yards Handicap—Won by Ron.
W. S. K. Yards Handicap—Won by W. S. K.
D. M. Yards Handicap—Won by D. M.

While the arrangement anomaly to nothing more than a formal agreement of the arrangement of the Wharton School, there was a very lively meeting at the Wharton School yesterday, which was called by the president of the Wharton School.

The committee on examinations have submitted a report which has been approved by President College and the Department of Business.

BASKETBALL PRACTICE

Game with Wesleyan Wednesday. Variety Team in Seriously Griped—Fres. vs. Central High.

After a most disastrous trip, which included some of the most important games of the season, Coach Kelsoth and Capt. McNabb are trying to whip Pennsylvania's basketball team into shape for Wednesday night's struggle with Wesleyan.

All the regulars are back in the game. McNabb and Martin are in good trim. The outcome of the recent trip should be encouraged because the "Varsity has been seriously crippled recently.

With only last night's practice in preparation for the Wesleyan fray, the Pennsylvania Five are confident of victory.

Practice in fast shooting and dribbling, together with rapid work in passing, formed the important part of last evening's work. Lately the "Varsity has been finding some problems in defending their goal against the able. One trouble lies in the lack of ability in team work, also in making quick, sure shots. Many men have the habit of choosing too low a position, and find it difficult to locate the basket when excessive.

Every man is filling strenuously and maintaining a fast pace, and although there is no willingness, the faults are evident. To improve the team work and to better the art at destroying oppositions is the work before the "Varsity.

On Wednesday night Central High plays the 1912Five at 7.30, followed by the Wesleyan-Pennsylvania game at 8.10. Tickets are on sale at Hitchman Hall, downtown athletic and sporting goods houses, and may be obtained at the Gymnasium. The prices are 75, 50 and 25 cents.

PREPARE POSTERS FOR PLAY.

Architectural Play Demands Best Skill of Artists.

Following the proclamation of the requirements for a poster and tickets for the annual play of the Architectural Society, the artists of the third floor of College Hall at once began preparations for the poster competition.

The poster for this year is to be made as large as possible, in simple masses, bright colors. It shall contain the words:

"The Second Degree—8th Annual Play of the Architectural Society of the University of Pennsylvania, Grub Street Theatre, 35th and Chestnut Sts., Thursday, Wednesday, Thursday and Friday even, March 1, 2, 3, 4, at 8.15 P.M. Admission, 50c. Reserved Section, 81.00. Ticket application only as indicated.

The poster may be of a purely decorative character, or if it is desired, to have it particularly significant of the play, the following suggestions are given.

The first act is laid in a study's room in the dormitories; second act is laid in a cafe in the Chocolate House. Crowds returning from the Quarters Arts Hall give some local color to this act.

The last scene is under the east archway of the dormitories.

Drawings are to be handed to Miss Byrson, Friday, January 28, at 5 P.M. Mr. Cret has very kindly consented to criticize this problem, and has offered a portfolio of "Concours" plates for the winning design.

The competition is open to every member of the department.

Our new four button lounge suit. Our woolens are selected personally by Mr. Mathews and imported direct.

"Wear Resisting Fabrics."
