In the feature event of the George-

town Indoor Meet, held at Washing-

don D. C., on Saturday evening last, Pennsylvania's two-mile relay won the second second time this year from Cornell. This makes three victories for Penn-

in a year's program this year. They
defeated the Iliacanas by four beds at first, but unfortunately, at the second

time was 9 minutes 59.0 seconds. Mr. March and Young kept well in the

LACKING CONSISTENCY

For a previous season's weak and
unquibg zones of the backfield pres-
tage which has been his rule for
season. The second made to the

ners of the sport. It is hard to realize
the same for the second made to the

the line. The men connect with
Columbia but lost to a team which

clined to oppose him and we know

adversely placed. In a word, no
Foulke and his champions.

The statistics of the season show
smallest of the backfield players
the form of the tailback, and that the
opposing men are not a little points
as he was the case when "Nick" Scholl
would make fourteen or fifteen chances
in the field. The man was remarkable. What is
needed in the same team work in all
games, as is shown when the team is
put to the test, on the home field, by
Columbia and the色彩 of the Inter-
disciplinary circle. We are glad
the seasons' work in the backfield on
Cornell's side. The victory is our
consolation Pennsylvania has for an
otherwise discouraging season.

INTELLIGENCE DISHONESTY.

What's Mr. Howard's next move?
That is the least formidable question
showed the imperturbable and
and they know it all now, not demanding to
be shown where he is. The University of Pennsylvania,
no says a report is one of the journals of that
State, has made a rule that no stu-
dent must take part in a dispute in his
literary society, and if he is known to
be in the side, the "affirmative" or the
"negative" side, he must make known it.

"Intelligent dishonesty" is thus to be
ruined out of the grand prize state.

What an end, indeed, to the forensic

RESUME OF THE SEASON

Career of Varsity Five During Past Year—Reviewed with Individual Records of Players.

Pennsylvania's basketball record for the past season consists of nine victories and ten defeats, not including the games with the Alumni, which was won by the score of 25 to 14. The year could hardly be called successful, but it must be taken into consideration that eight games were lost while away from home with the team individually picked through the selection of Captain McNichol, Marks or Bax. In the zone-without the aid of the " influencing the Red and Blue with wins over Yale, Princeton and Cornell but were unable to finish the season. Freshman lead his team-mates in the number of points scored, though closely followed by Captain McNichol, who was only able to compete in eleven games, through illness. Marks and Walton have most records, and the latter should prove a strong factor in next year's contest. Following is the individual record of the men.

Full Dress Suits

It is conceded that we make more dress suits than any other firm in the city—a fact of which we are justly proud; and we mean to retain that honor by the same means that we won it: hard work, quality, price, style and several other things.

At $35, $40, $45 and $50 they are much better than you usually get at these prices; at $55, $60 and $65 they will equal the high-priced tailsuits at $75 to $80.

We put large suits in all our dress suits so they can be made bigger should your friends call, as we think we can interest you.
