A RENDITION ON “LOUISE”

Cugat’s Opera of Parisian Life will be Explained and Analyzed This Thursday Afternoon.

Only three weeks are left of the great season. The leaves cover all over the city, and it is starting to take advantage of the opportunity that will be offered by the last six months to see productions in the Philadelphia Opera House. The center of attention this week is an opera university student in a suit by a composer of the modern French school. Cugat- turm was born in 1895, and studied under Kastner, among others, so that he became to the generation after that composer. It is considered a noteworthy and contemporary French musical work.

A feature of this week’s opera is the young man who has been forced to give up this year’s account of his rehearsal hall. It is expected, however, that he will be able to return to the position of professional composer in a few months. So far as the chorus, composed of men who have won the “Variety” title, besides Stiles, are all sung and well for the final rush in the races, Bohnaai will bring down two more from the world pul together, Michigan’s annual Intercollegiate carnival includes besides the big tickets, getting four hits in a total of 13 hits. Michigan still has the number one team in the nation. The great all-round athlete, who is considered one of the best men the Thayrnay has ever produced.

Under Dr. B. H. O. A. E. Griffin, Harmon, and McNeil, W. and Space. This means that the team will be able to win. The “Varsity” is the Lion or 5 or 6 o’clock car. In some cases it will not be available, as we must need in all next year, especially the pitchers. The report for the past year, the Flak brothers held his own against the ball and with the ball four players.

The last men of the list who will be given “Red” Keal, “Arie” Riddle, Fitzgerald and Ralph Harter, also as Manager Henry H. Price and Manager Freeman P. Widney. All of the top names are told to be one, and the whole school, and all of the top names. When Pennsylvania State looks at his team, he looks after their future.

is not proud of his University Dormitory, and for this reason he is unable to afford it. So, what is to be done? The great majority cannot be improved for the great mass of students. The situation will not be helped by the present system of dormitory life, for the dormitory is a place for study and recreation, not for living. It is not be expected that any one thing can be done to remedy the situation. It is more important to improve the entire University than to improve the dormitory. LEAGUE TO BE REVIVED

Leading Eastern Universities Seek to Reorganize Old Basketball League.

Representatives of the four big universities met yesterday at the Murray Hill Hotel in New York, to discuss plans for the revival of the old Intercollegiate Basketball League. Pennsylvania was represented by Ralph Morgan and William H. Sayre; Yale by James E. Finneys and J. E. Backland; Princeton by W. R. Crotery and Blackburn Hughes; Columbia by Chester W. Curfey and W. Nathaniel Morgan, of Pennsylvania, was chairman of the meeting.

As it was necessary to refer everything to the several Athletic Associations and the Faculty Athletic Committees of the different universities, no decision could be made in the way of organization. There was, however, a discussion of a tentative schedule, including those four institutions. It is hoped that Cornell will join as a member later on, but the decision on this point was postponed. It seemed extremely likely that a big league will be formed, but this will be definitely determined at a meeting to be held next week.

It is not probable that the several teams of the smaller universities will join this association. One of the representatives stated that there had been a suggestion to form various leagues according to the grades of the teams, and that the league champions play off a championship series to decide the respective intercollegiate champions. If the Penrose again wins the Easton to缜 championship this year, a table drawn to the four teams this season is as follows:

<table>
<thead>
<tr>
<th>Points</th>
<th>Opponent</th>
<th>Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>30</td>
<td>Columbia</td>
<td>163</td>
</tr>
<tr>

</tr>
<tr>
<td>127</td>
<td>Yale</td>
<td>135</td>
</tr>
<tr>
<td>34</td>
<td>Princeton</td>
<td>176</td>
</tr>
</tbody>
</table>

T. K. Kendall, of Columbia, scored the biggest number of individual points, 127, while H. E. Johnson, of Pennsylvania, who was a first-class with Stale, scored 45 points. The running totals of the teams were made available in the film, while Kendall had had 193 points in his credit to finish at 173.

WATER POLO CALL

The intercollegiate swimming season is now in full swing, and Coach Kitcher is urging his attention to water pools. Games have been arranged with the City Athletic Club of New York and the New York Athletic Club, and arrangements are being made for several other games. It is important that a large number of students come out for the team, as last year's team took second place at the Shermans's Show in New York. Defeating both North Swimming Club, but losing to New York Athletic Club, and this year's team should do better.

Practice will start today in the pool at 11 a.m., and will be held at this time every day. Everybody who swims should come out and try.

Empire State Club Entertainment. The Empire State Club will give an entertainment, smoker and collision in the main hall of the Houston Club on Monday evening, March 14, at 8 o'clock. Special musical numbers will be rendered. All students from the New York State are cordially invited to be present.

Cornell gives credit for recreation, walks in place of regular gymnasium work.

At the State University of Iowa a recent action of the faculty has taken away the two hours credit formerly given to women for dancing.

FRESHMEN HAVE GOOD RECORD

First Year Basketball Team Has Won Fourteen. Tie One and Lost Two—Games—Individual Records.

By easily defeating the Scrubs Saturday evening, the Freshman basketball team concluded one of the most successful seasons ever enjoyed by a first year five representing the University. The record includes fourteen victories, one tie and two defeats, both of which were administered on the road under adverse conditions.

The most hard-fought game of the schedule came with the trio Fishmen, over whom no decision was called. After half an hour of exciting play the score stood 17 to 17, and an extra period failed to break the tie. All of the local high school teams were defeated with the exception of the Catholic High, which was forced to cancel the game at the last moment. Finally, after a grueling contest, the first two minutes were out and a white victory was being recorded.

Following is the individual record of the men:

CROMIE'S CIRCUS COMING

Third Annual Performance to Be Given

Twice—Over Two Hundred to Take Part—Twenty Acts.

Plaza for the Third Annual Circus, Hippodrome and Dance, to be given in Wrightsman Hall on the evenings of April 2 and 3, under the auspices of the Gymnasium Leaders’ Club of the University of Pennsylvania, are nigh being formulated, and within a week rehearsals of the dancing, ballet and pyramid teams will commence.

This annual circus was inaugurated in the spring of 1901, when the Tvarc-ity football team, as Gibson Girls, and the famous pyramid team, under Mr. Cromie’s direction, got together and determined to institute an annual circus, in which any undergraduate of the University might take part. For the past two years these teams have been decidedly successful, but Mr. Cromie, his able staff of assistants and the committee that state this year’s performance is bound to eclipse the prior productions. More performers are registered, a more varied program is being framed and greater enthusiasm shows. There are excellent opportunities open for suggestions, which Mr. Cromie will gladly receive. Also, a larger registration is expected within the next few days, especially in the school of impersonators and actors.

Fifty candidates are wanted for the pyramids, forty-eight for single-stick, bowlers, bow, traps, for the HoBo-Zobo Band and fifty dancers for the burlesque ballet. Men to impersonate animals, such as elephants, monkeys, bears, lions, tigers, faddi, bears, Impedes, etc., to represent characters such as polier, devils, skeletons, peddlers, giants, three-legged, boy, two-legged girl and comical from Renaissance comedies are also wanted.

Following are the burlesques already organized—"The Circus Prize," "Who Discovered Dr. Cool," "About Ruth Davis Ballet," "The Moonie Ranger from Wrecker," and "The Man Who Owns Broadway Street." Two features have recently been added to the big bill. There will be a Suffragette Chorus, composed of 100–150 Varsity football men, who will instruct chorus visitors how to vote and how to cry crying babies. This is a symbol for the famous Suffrage and Green Girls of last year’s entertainment. Another assessment of the evening performances is to be a glove match between "Danny" Hartshion and Denker, instructor in boxing. Mr. Cromie has made several indentures to get "Tommy" Biddle and Jack McAffe for circus day, and yesterday announced that the two williams bowers would probably be present.
