Two features of the game were the line-up and the men involved. All ten were ready for banquet. The list of speakers is an attractive feature of the banquet. The second act presented an anecdote of the incident which was experienced by the Chinese students. It is a wonderful story, which is written in a great many valuable papers upon the subject. The second act presented an American band, which was led by Mr. Johnline, a band leader. The second act presented an American band, which was led by Mr. Johnline, a band leader. INDOOR SPORT NEARLY OVER.

Big Meet at Trenton Will Conclude Red and Blue Schedule.

The indoor season will be concluded next week with the Trenton meet on Saturday. Nearly every university in the East has its winter in session, and it is expected that the affair will prove one of the most interesting of the season.

Yale, Cornell, Columbia, Wesleyan, Georgetown, Lafayette, Lehigh, Harvard and Princeton are among the big names on the list of schools who have already entered, and many of the stars of the New York A.C. and Irish American A.C. will be seen in the various contests. Many teams and numerous individuals have entered for the trials, and Truher Murphy expects the squad to carry off a little share of the honors.

The Red and Blue will be represented at both the Johns Hopkins and Columbia meets this Saturday night.

Although Franklin Field is hardly in a condition that permits of hard contests, of many of the track candidates were practicing in the open yesterday, and it is hoped to benefit from the change of the indoor track.

CHESS MATCH BY CABLE.

Pennsylvania Will Have Two Players in International Tourney.

The tenth international collegiate chess match between the American universities, Pennsylvania, Princeton, Columbia, Cornell, Harvard, and the New English Universities, Oxford and Cambridge, will probably be held on April 2. This date has been proposed by the American committee, but has not yet been accepted by Oxford and Cambridge. The challenge was received only a few days ago, through W. James Morton, of London, the American referee of the chess match, and was officially accepted by the committee on this side.

The members of the squash team will be operated from Princeton. The platform of the team has not yet been officially announced, but it is practically assured that Pennsylvania will have four of the men of the four or five first bands. The team probably will be W. H. Hughes, Pennsylvania, W. E. Whitaker, Pennsylvania, L. W. Mather, Bowdoin, C. G. Chandos, Yale. For the remaining two places the names of cumulative and R. J. Tye, Cornell, and George Burgess, Yale, are mentioned.

CLASS DAY EXERCISES.

Seniors Decide on Triangle as Scene of Last Meeting.

The Class of 1916 will begin the centenary ceremonies of Juniata Day at 10 o'clock on the morning of June 12. The programs will be enacted at the base of the triangle in front of Robert Morris and Bailey Dormitories. These homes are situated to the left of the main entrance. It has been customary for some years to hold the exercises in the big quad, but the class of 1913, but 1915 has gone back to the place that has been the scene of many class days before the big quad was built.

The exercises will take place at 4 o'clock. The dry stone is to be placed in the northwest corner of College Hall, and will be designated by a member of the class. All the music rendered during the exercises has been written by 1919 men.

Hospital Appointments This Afternoon.

Six members of the senior Medical Class will receive appointments as resident physicians to the University Hospital this afternoon when the Board of Trustees meet. An appointment to this hospital is one of the greatest honors conferred upon a Medical Resident student, for only those who are among the first twenty-five men in the best scholastic standing are eligible.

The appointments enter upon their duties on June 12, and every ten weeks following another of the appointments becomes a member of the hospital staff.
