WATT'S THE STAR

"Varsity Easily Defeats Scrub—Score, 93-50—Smiley Again in First Team Lineup.

Yesterday's practice game was a walk-over for the Varsity, who succeeded in outplaying its opponents from the start. The two teams were equal, but the first team men easily rallied their rivals in nine and got eleven hits from Bean and Thompson. The Varsity also got the jump on the Scrubs in the first inning, when they bunched Beans at the bases of four and three runs. Watts, who did the twirling for the first team, was the star performer of the day, pitching five innings and not allowing a single hit on a base on balls. Thompson, who took his place in the sixth, has improved wonderfully during this season. He threw four innings and was not touched for two innings.

The news today is that "Rigoletto" will be sung next Sunday, and that Verdi's ever-popular "Rigoletto" will be given on a Wednesday matinee performance. A limited number of tickets will be sold to the public; there will be no seats for the standing room only.

Several changes were made in the make-up of the Varsity and fourth Varsity crews yesterday, but no men were cut from the squad. The boat swirled with a spirit and a thrill when its bow was rowed in the outgoing current, but as several at the men failed to make an appearance, the barges were used. It is hoped that these men will report without fail to take their places, as the team is going strong and will do its best to make a mark in the great competition which lies ahead.

DEBATES TO RESUME ACTIVITY

Club and Intercollegiate Debates
Soon to take Place.—Also
Oriental Contests.

Debating will again hold a prominent place in undergraduate activities immediately following the Easter holidays, as the Zelo-Phi-lo debate, the President-Central High debate and the Zelo-Greek-Washington debate will follow one after another in close succession.

The Zelo-Phi-lo debate, which probably arouses more interest among the students than any other forensic contest, except the Varsity debate, will be held on April 15. Owing to the long string of events the championship between these two societies, enormous efforts will be made by both. "Resolved, That the exercise of infringing on the rights of another is not destitute," will be the subject of their argument.

W. L. Abell, A. W. Marriott, W. R. Timmerman, with Hughes, alternates, will defend the affirmative side of the proposition, while Central High will support the negative. The contest is scheduled for Thursday, April 22. An annual debate between these two has been held for the last three years, and, as Central High has come out victorious every time, the President will put forth their best efforts in order to win back the championship. Zeln will hold trials about the middle of April to elect a team for their annual debate with George Washington University. The debate will be held in Washington, D. C, early in May, and the question will shortly be submitted to Zeln.

Besides these debates, several other interesting contests will also be held in the near future. The law students will reopen on April 1, the competition open only to students of the public speaking classes, will take place about the middle of that month, and Zeln will hold their annual prize contest on April 29. Preparations for this contest are now being made, and two or three prizes will be awarded the victors.

Law School Tennis Court.

The tennis courts of the Law School, which are being repaired, will be opened about the middle of April. New wire fences have been put up, and the courts are being thoroughly renovated. One court is already in use, being opened a short time ago in a match between C. W. Dickson, '10 Law, winner of the Dormitory Tournament, and Ross Lewis.

W. H. Kemble & Sons have always proved the most popular tailors for Pennsylvania students, because they have the "young man idea," because the prices are moderate, and because they allow the student 10 per cent discount. 1028 Chestnut street.
