INTERFRATERNITY BASEBALL

One of the most interesting features of the year at Pennsylvania has been the Interfraternity Baseball League. At the meeting which preceded the formation of the league, it was decided to take a large number of men out who would not otherwise have been able to play. By this means, a large number of men were induced to take part in the league and to keep up their baseball in their spare time.

The second feature, which is the more important, is the opportunity which the league offers for the various Fraternities to compete against each other and to see which can win the championship. The league has been well managed and the games played according to the rules of baseball.

The following Fraternities have contributed to the success of the league: Alpha Chi, Delta Sigma, Eta Kappa, Phi Delta, Sigma Chi, and Zeta Psi.

Each Fraternity is represented by a team consisting of at least nine men, and the games are played on Saturday afternoons at Franklin Field. The season begins on April 26th and continues until June 2nd.

The members of the various Fraternities have shown great interest in the league, and many of them have become excellent players.

The following are the results of the first two games:

**April 26th**
- Alpha Chi vs. Delta Sigma
- Eta Kappa vs. Phi Delta
- Sigma Chi vs. Zeta Psi

**May 3rd**
- Alpha Chi vs. Delta Sigma
- Eta Kappa vs. Phi Delta
- Sigma Chi vs. Zeta Psi

The games are played on the following dates:
- April 26th
- May 3rd
- May 10th
- May 17th
- May 24th
- May 31st
- June 2nd

The next game will be played on May 10th.

The officers of the league are:
- President: Alpha Chi
- Vice-President: Delta Sigma
- Secretary: Phi Delta
- Treasurer: Sigma Chi
- Assistant Secretary: Zeta Psi

The meetings of the league will be held on Wednesday evenings at 8:00 P.M. in the boxing-room.

The following is a list of the players who have been selected for the All-League team:
- Alpha Chi: John Smith, Jack Jones
- Delta Sigma: James Brown, Robert White
- Eta Kappa: William Black, Charles Green
- Phi Delta: Richard Lee, John Brown
- Sigma Chi: Samuel White, John Smith
- Zeta Psi: Robert Green, William Brown

The league has been a great success, and all the Fraternities are looking forward to the continuation of the season.

STUDENT CONFERENCE PLANS

Poceto Pines to Be Scene of Annual Student Gathering in June—Final Arrangements Completed.

A new Student Summer Conference has been arranged to assemble this year at Poceto Pines, Pennsylvania. June 9th by the late date was in response to a demand of a large number of the students of the Middle Atlantic States who have been attending the annual conference at Northfield, Massachusetts, but desiring a more permanent home and at a more convenient date. This conference will be attended by delegations of students from the principal universities and colleges of the Middle Atlantic States, including Princeton, Cornell, Columbia, Penn State, Lafayette and others, and is expected to equal in size and rival in popularity all of the older summer meetings.

A large number of students in the University have been attending the Northfield Conference in the past, but this year it is expected that a delegation of over one hundred Pennsylvania undergraduates will journey to the camp at Poceto Pines. As the conference comes immediately after final examination week, the students may attend before returning home for their Summer vacation, thus saving considerable time and extra travelling, which the Northfield Conference necessitates, coming as it does in the middle of the Summer. It is probable that a special train will leave Philadelphia June 9th, and a number of Sections will go up following commencement.

The same features that have made Northfield so attractive and recommendable to college men will not be lacking at Poceto Pines. Dr. Carter, Secretary of the Intercollegiate Committee of the Young Men's Christian Associations, and co-worker with John R. Motz, will provide the usual wide range of known student leaders will be present, speakers, including Edward A. Stein, R.H., author of "On the Trail of the Settlements," Rev. James W. Jenkins, Professor of Political Science at Cornell University, Rev. Elbert Talbot, Bishop of Bethlehem, and Very-Rev. Edward F. Smith, D.D., Rev. H. Hildebrand, Mr. Joseph S. Evans, all of Pennsylvania.

Furthermore, courtesy promoters are endeavoring to secure, as additional speakers, Mr. A. B. Miles, R.H., noted sociological author; Professors Henry Van Deke, L.S.T., P. Pleton, and George Wharton Peck, L.S.T., the widely known leaders of Pennsylvania. These men will have special Bible study classes and talk on vital problems of life.

Through the primary object of the conference will be religious in character, religious, in the sense that we will be devoted to athletic sports. Poceto Pines, which is situated on a location, on the picturesque plains of Southeastern Pennsylvania in a scenic spot for camping and picnicking, and affords an unequaled pleasure of both water and woods. Besides the lake, the Pines grounds include a baseball diamond and several tennis courts. A series of baseball games, a tennis tournament and an interdisciplinary class meet will add to the interest of the conference, and thus June 16th a general celebration will be held in which each delegation will participate separately. During the conference the students will live in a collection of bungalows and tents. The railroad distance to Poceto by way of the Delaware and Lackawanna to 127 miles, and the fare for the round trip is $7.50. Besides this the only cost to each delegate will be $5.00 for registration and $4.00 for board and lodging during the conference. A large collection of Poceto views is on exhibition in the Christian Association room.
