FRESHMEN ANNEX GAME

Crawford's Field Goal in Last Minute of Play Takes Sensational Game from Merchants, 12-9.

In a heavy blizzard of snow, the Freshmen Annex Game was decided in a manner that will live in the memory of those who witnessed the contest. The score came at the end of the fourth quarter, when Crawford, in a blinding blizzard, was more of a handicap to the Pennsylvania team, because of the snow was entirely new to them.

The blizzard, which came out in the first period in a forward pass which Marshall received. After a pun of the first period, but missed the goal line.

With a clean field goal Crawford added three points to the young-

ers' score. Shortly afterward Wood and Hessel, and again the Freshmen line, making the score 11-9 in the Blue and Gold, and finished winning the game.

Marshall played a good unspectacular and brilliant game for Merchants. Williams was another superior performer, and Wood added points, the only points of the game. The lineup:

MERCHANTS—Prosser, left end; Hessel, left tackle; Bomore, right tackle; Marshall, fullback; Hutton, right halfback; and Wood, left halfback. King.

LINE WEAK AGAINST CARLISLE

(Continued from First Page)

there will be some sorry tales to tell in the next few weeks. Hardly a buck has appeared on Franklin Field this season who has not been able to return
routs for consistent gains.

There were no great surprises in the other games played Saturday. Dartmouth held Princeton to one
Touchdown and the Tigers were lucky
to get that. Harvard had its hands full with the Army, while Yale toyed
with Colgate. Lafayette had to work
hard to pull out a victory from Bucke
town, but the Eastondreng struggle
must not be under-rated. Michigan won
handsomely from Syracuse and the dreaded
Magistahn was much in evidence.

This has another good team this year
and will make Pennsylvania hesitate.
Crelinson ran up an exceptionally high
score on Beckham. State could do
so better than play Villa Nova in a
standoff. It is evident that the Bell
hangers have not forgotten last Satur
day's struggle. Out West, Minnesota
chucked the conference title by crush
ning Chicago.

This week will be the second of the
real championship season, and it re
mains to be seen what Eastern elevens
will be the real contenders for the
golden title. Saturday's line-up:

PROGRAM WELL RECEIVED.

"Indian Suite" Featured in Saturday's
Concert of Philadelphia Orchestra.

Edward MacDowell's "Indian Suite" was featured at the Philadelphia Orches
ta concert on Saturday night for the
first time in seven years, and was
given an enthusiastic reception. The
five movements constituting the Suite
were all admirably interpreted by Carl Pohlg, the
director, and revealed all of the
composer's extraordinary gift for
breathing throughout that spirit of forest mys
tery and veiled suggestion of the
woods of the American aborigine that has
gained for MacDowell a prominent
place in the musical world. Above all
was evidenced the composer's inten
tion to describe the significance of the
Indian races rather than the corne
monstnthes themselves.

The other numbers on the program
were equally handled and merited all
the applause they received.

Owing to the unusual demand for re
duction coupons for these Orchestras
concerts the committee in charge has
decided to hold daily sales of tickets at
The Pennsylvania office at the
usual time. Coupons may, therefore,
be obtained from 1 to 120 today.

For those who visit the Jones Young Men's De
partment, they have the best in suits at prices
so reasonable that they are real bargains.

For those who don't, I have sympathy—they
need it.

Some pay more elsewhere, some get less—some
Both. At $25 I saw suits at Jones' that I
could not duplicate in appearance, weave and
quality for $85 at most tailors'—yet I am not
allowed to call them $85 suits. Mr. Jones
says: "They are our regular $85 suits. Others
may charge more because they don't buy in
the immense quantities and to such good advantage
as we."
