SCRUBS DOWN VARSITY AGAIN

First Team's Line-up Hardy Stays Out of Their Snappy Opponents—Ferrier injured.

A beaten Varsity and a joyful Scrub team treated into quarters last night. After three quarters of splendid fighting, the Scrub were unable to withstand the relentless, finish-line scrimmage. The attack of the Varsity line was weak and rugged and lacked the realistic cat doy of the Scrubs. The Scrubs had lost to take advantage of the opportunities which regularly were presented. In open scrimmage the Varsity showed even more poise, allowing the Scrubs to use the forward pass in an advantage. The only game on the regulars was made by Lough in a brilliant fifty-yard run for a touchdown.

Ferrier was out at tackle, but was immediately replaced and came on. Kennedy seemed to have some good drop-kicking form.

The free part of the afternoon was taken up with light practice. The men of the field continued their practice at the regulation of the men and their oarsmen. The Scrubs had to row on the first rank of the varsity line, and three and set work on the team. The regulars won the winning side.

FINANCE BY SENATOR BURTON.

Dr. Robert H. White spoke on the subject of finance by Senator Burton.

 scrub insignia awarded in September 16, 1911, to the Senior Class for up to this time the men who have taken their pictures taken. This standard is entirely wrong, the Business Manager of the Record says, and everybody should swallow and digest these and make a date with the photographer. The Real estate and insurance man alike to keep their book on out or, but can only do so through the revolution of the inside cat. And still photographs of the Library, the School of Mines and the Record cannot be published. It will be greatly appreciated by this committee if the men who make appointments immed. with H. Parker Reef, 1714 Locust.

In response to the call for candidates for the committees for the coming year, the Record only five men have come out. As the list is not in any way and symbolic of the honor, it is expected that more men will be present.

CUPID CLAIMS CANTON NURSE.

Prof. C. N. Laird Wins Miss Soles from Chinese Medical School.

Miss Soles, a graduate of the University Hospital, who went to China in April, 1909, to become the head nurse at the University Medical School in Canton, has resigned her position to become the wife of Prof. Clifton N. Laird, of the Class of 1891. Prof. Laird, who is a brother to Prof. Warner P. Laird, of the Architectural School, became acquainted with Miss Soles in Canton, where he is engaged as Professor of Chemistry and Treasurer of the Canton Christian College.

Miss Mable Mack, a graduate of the Bryn Mawr Hospital, will succeed Miss Soles. Since her graduation Miss Mack has had charge of the operating room of the New York City Eye and Ear Infirmary. Miss Mack, accompanied by her mother and Mrs. Howard, a nurse in the University Hospital, will sail for Canton, December 1.

More Men Needed for Fencing.

If Pennsylvania wishes to turn out as good a team as it has in the past a larger number of men must report to Captain Parker from 5 to 6 o'clock on Monday and Thursday evenings. About twenty have reported so far, but since the entire team with the exception of the captains must be chosen from these men, Manager Fisher has decided to issue another call for candidates. No definite schedule has been arranged as yet, but meets will be held with Yale, Cornell, Columbia, Princeton, University of Cincinnati, Annapolis and West Point.

Iron Works Open to Engineers.

To-morrow afternoon, the Seniors of the Civil Engineering Department will inspect the Petoskey Iron Works, on the Keweenaw River. This party, which consists of about seventy men, will pay particular attention to the rolling mills and bridge shop. This same trip will be made by the Junior Class on Saturday, November 5. Professor Berry and several instructors will accompany each excursion.

Gummev Appointed a Judge.

Charles F. Gumney, a graduate of the College Department in 1884, and of the Law School in 1888, has recently been appointed a Judge of the Orphans' Court by Governor Garret. Mr. Gumney won many scholastic honors while at the University, and since his graduation has been a very prominent lawyer in this city.

WRESTLERS OUT IN NUMBERS.

Every evening the mat in Wrightman Hall is crowded with aspirants for wrestling honors. Captain Stewart has issued a call for candidates for November 7. LITERATURE.

Fatima Turkish Blend Cigarettes

Fanciful phrases or thoughts couched in beautiful language may be well enough for the classics, but one homely word is sufficient to describe Fatima Cigarettes—they're "Bully"—and unlike Shakespeare, we repeat—they're "Bully." Works of the old masters of tobacco blending—authors of all your joys—are Fatimas. Plainly packed—10 additional cigarettes instead of a fancy box.
