Robert Merrell Cross presents Dr. Har- rison with Silver Plate—Provost Smith Speaks.

The Robert Morris Club of the Whitman Evening held a banquet last night in honor of its guest speaker, President Charles Curtis Harrison. The occasion was the presentation of a trophy as a token of the club's deep regard and love for him and their appreciation of his long years of service to the University. In response to the presentation, Provost Harrison said:

"I am deeply touched by this gift, but more especially by the feeling that goes with it. I shall always value this token as one of the most precious portions of my life, in connection with the University. It is, of course, with great regret that I am to sever the close and ardent connection which I have had with the university since my appointment as its President. The love and interest which you have shown the University will long remain in my heart."

THE CLASSIC FIGHT.

The classic scrap of the year at Pennsylvania takes place today. The Blue and White Fight is one of the oldest of Red and Blue traditions. Every grad of the last two or three decades has some story to tell about “the scrap—the “old” referring to one of the particular fights, rather than all, which were held during the speaker’s underclassman days. It is to be hoped that the Freshman Class especially will be there to support their strength today. Their opponents have made for themselves a very creditable record as scrappers in the year and a half that the can go some time. The first record of scrappers in the year and a half that the can go some time is credited to Alexander. If. II. Koachwlti. 12.

To publish them would seem too much for them, but they are all about the same men. and new ones are sure to follow. The most that can be said is that “absence makes the heart grow fonder.”

Ten Minutes’ Walk to Twenty Theatres
The St. John's game is but two weeks away, the basketball squad is still in its infancy, and the best forward men that Coach Kiefaber says are in unusually good condition for this stage of the season, are in an uncertain state as to the outcome of the first game. Several of last year's team, whose season's hopes were placed, have not yet reported.

Both Varsity and Freshmen were put through a hard practice last night, especially attention being given to dribbling, passing and scoring. The Freshmen were pitted against the Varsity in a fierce game, in which the younger men had to hold their opponents pretty well in check. Much promise is shown by the first year men, and all indicate they are ready to join a Freshman team which will be fully as strong as the Freshman team that has been put together for the season.

Practice will be held almost daily from now until the opening of the season.

SIXTY NOVICES AFTER MEDALS.

But the Meet Will Take a Month.

Not all the novices from last year's teams will be present. Those that are will consist of the all-American men of last year's teams, and many of these will be in New York for the meet. The meet will take a month, with the winner determined by a process of elimination. Medals will be awarded to the champions in each of the seven classes.

Five matches were held yesterday, the first two being in the 150-lb. class and the other three in the 125-lb. class. In the first, F. C. Nyan won by a process of elimination. In the 125-lb. class, Steltz threw Sharp in three minutes and forty seconds; and Williams and Monneau wrestled three minutes to a draw.
