
THE IDEA OF HAVING A LONGER HOLIDAY IS ONE NO ONE NEW. EVERY YEAR, APPEALS, REQUESTS, AND INQUIRIES HAVE BEEN SENT OUT, AND THE DECISION TO HAVE A SHORTER HOLIDAY IN THE MIDDLE OF THE WEEK. NEVER. ON THE OTHER HAND, HAVE THEY EVER ACCOMPLISHED ANYTHING LIKE THIS.

THE CHRISTMAS RECESS WILL END AT 3 A.M. ON NEW YEAR'S DAY. Friday January 4th. To Their DEPLICATE, THE CHRISTMAS RECESS WILL END AT 3 A.M. ON NEW YEAR'S DAY. The Student Body, waken by the sound of the fire engine, is in a condition to start the new year with a new heart.

Whether this will become a permanent extension has not been decided. Dean Fisher has expressed himself favorably to the plan, and the student body has been generally favorable to it. Staff members of the College universities have not done much to promote this idea, however, there is a possibility that this may be done in the near future.

PHILADELPHIA, THURSDAY, DECEMBER 8, 1910

TWO DAYS CHRISTMAS GIFT

NATIONAL ASSOCIATION OF COLORED SCHOOLS AND SAVAGES.

Mr. C. E. Carter, of Philadelphia, spoke on the subject of the Association, and the work which it is doing for the advancement of education among the colored races.

The President, Mr. J. W. Smith, read the report of the Executive Committee for the past year, and the minutes of the last meeting were read and adopted.

THE P H I L A D E L P H I A N

The new rules are good in their general effect, but not too radical in some parts. The team does not seem to want the forward pass and onside kick, and the rule forbidding assistance to the runner has caused some objections. The team seems to want the rule abolished and played without any restriction. That twenty yard rule takes away the purpose of the two plays and besides adds to the trouble and confusion on the field. The rule forbidding any assistance to the runner, except for a pass, is unnecessary. I think one man at least should be allowed to assist to the advance of the game. The new game has been more open than in the past. It has developed into a great kicking game but for real football give me the old game.

R. F. R. WOOD, HILL.

Fig Leaves from Adam’s Diary

Slab No. 57

When Jones announces a reduction to his regular customers, they can’t be kept away, for they know that with Jones a reduction is a real reduction, that any saving below his regular moderate prices is indeed a bargain.

But the recently announced 10 per cent. reduction to Pennsylvania students applies to them only, and until December 15th only.

If we were to have as customers, as good a proportion of the young men of Penn as we have of the leading business and financial men of Philadelphia—the University would be known as far the best developed college in the great active demand of them as in the past.

I do not think the danger of the game has been lessened. Accidents are just as likely, if not more so, in the open than in the old mass plays.”

Ernest Creagh, retailer of this year’s team, and All-American center says: “With a few minor changes the new game has come into style. I think the game is more coherent. Most of the injuries during the last season have been to backfield men. This is due to the greater strength of the defense.”

I think the offense has been weakened too much. The twenty-yard zone should be unrestricted. Outside the twenty-five yard line assistance should be allowed to be given the man with the ball. These changes have been made and the game fully developed. I think it will be as popular as the old game.”

John H. Minda, chairman of the Football Committee, and one of the sweetest backs that ever represented the University, says: “Taken as a whole, I like the new game. I have seen some wonderful football this year in both the Pennsylvania-Lafayette and the game with Boston. The game to day has become purely a kicking game. This open play makes accidents just as likely as ever. At the start of the season I had my doubts as to the success of the rule prohibiting pass interference. I couldn’t see how the offense would make first down. But they have, and I think this year’s rules have been successful.”

1914 to Elect Executive Committee.

A meeting of the Freshman Class will be held at 1 o'clock today in the Harrison Laboratory for the election of Executive Committee. The members are Beal, Backer, Morris, Croot, Marshall, Barr, Irwin, Parsons and Fisher. The four members receiving the most votes will be elected. The Pin Committee will make its report and Chairman Meyn wishes to see the members of the class present for a few moments immediately after the meeting.

The members of the Freshman football squad are urged to turn out, as Captain Barr has something important to tell them about the game with the Sophomores next Wednesday. They are also asked to remain after the meeting.
