DEAN KIRK TO ENTERTAIN.

Will Give Reception to Dormitory Representatives and Proctors.

Dean Edward C. Keith, of the Dental School, has invited to a reception, at his home, 354 South Lawrence Avenue, Lancaster, on Wednesday evening, the twenty-eight men who have been elected dormitory representatives at the University, together with the five men who, with Dr. Kirk, form the Faculty Committee on the dormitory system.

In connection with the reception, the members of the Board of Representatives and the Partial Committee will discuss various plans for the proper government of the dormitories. Dr. W. T. Teague, Dr. Charles Travis, Dr. E. M. Powell, F. D. Ope and J. K. Fitzpatrick, of the Faculty, will be present.

Seniors Still Delinquent.

Only thirty-seniors, of the three hundred and fifteen in this individual write-up blanks for the 1913 Class Record, made public a week ago, have attended to sending in their personal statistics. As the present time all blanks are due Saturday, December 17. The committee urges every senior to attend promptly to this important matter, which will take but a few minutes for its proper completion.

In view of the general misunderstanding in regard to photographs, the committee wishes to announce that it is not necessary to send in photographs with the blanks, the former matter being entirely in the hands of the photographer. Blacks are to be handled or mailed to Francis Wolle, Pennsylvania office, 3631 Woodland Avenue.

Second Breaks Wrist at Hockey.

Bill Stroud broke his left wrist yesterday at Dr. Davie's, while playing in a practice hockey game with Dr. Luke's. He was one of the most promising candidates for the forward line.

It is imperative that all candidates for the hockey team report to-day at Dr. Davie's, and will then be picked which will meet Princeton at New York on Saturday.

The squad will leave West Philadelphian at 2:15. Men not able to take that train can take the 2:45 or 3:15.

Musicians Score Another Hit.

Somatic concerts have become a habit with the Combined Musical Club. Last night's concert was twice the success of Dr. Luke's, with many students and alumni present. The usual array of festivities had been scheduled by the town folk, and, judging by the happy crowd that returned to Philadelphia this morning, an evening more than ordinarily enjoyable has been spent.

Freshman Football Picture.

The following report will today at 1 o'clock, at the gymnasium, for the Freshman football picture: King, Barry, Middleton, O'Shea, Marshall, Mattson, Crawford, Benno, Fisher, Jamison, Downing, Ruse, Bell, Crawford, Dutten, Herton, Terry, Landry, and Boger.

Christmas Gifts.

Pennock, 2608 Woodland Ave., calls attention to many articles suitable for presents, as Microscopes, Opera Glasses, Prism Field Glasses, Watches, College Library, and School Books, Pencils, Knives, Pocket Surgical Cases, etc.

Students: The Christmas Gifts at Pennock's are the best we have ever seen. Most of these are in seasonable fabrics which we are showing in our full dress suits.

We are glad of the part we have played. The men who have made the acquaintance of quite a number of the students at the University of Pennsylvania this season will find that those who come in "just to look around," stay to buy, that the excellent variety of seasonable fabrics which we are showing in our full dress suits proves irresistible to the fellows who know good clothes when they see them.

There will be a number of students of the University who will go to their homes for the Christmas holidays far better dressed than they came from their homes to the University; for the combination of the most up-to-date suits with the smartest of the season's fabrics for young men, affects a big change in a man's appearance.

We are glad of the part we have played. The number of friends we have made out at Penn simply repays us for the per 10 per cent. discount allowed to University students which discount does not apply after closing hours on December 17th. Therefore, come in at once if you want to save the 10 per cent.

Full Dress Suits

The making of Full-dress Suits is an important part of our business because it seems as if every customer we have places an order with us.

This condition is due to our success in the fit, the finish of the garments and the moderation in price. We make a fine all-lined Suit at $40 and one at $50 is also a leader.

Do not forget that this is no higher than a ready-made Suit, yet the latter will be outgrown in a year perhaps, while ours will last five, owing to the fact that we provide large outsize. Which will you choose?

Perhaps you only need a coat? Or a white vest? Of the latter, we show a hundred patterns at $7 to $12.

football rules, they were heartily in favor of continuing the experiment with them through another season. The report of the Base Ball Commit-

tee showed a deficit of more than $1,000. The committee recommended that the Directors rescind the election of Wallace F. Schultis to the cap-
nacy of the base ball team for the

coming season.

The report of John C. Gilpin, Treas-

urer, reads that "the financial condition of the Association is a serious one and requires mature thought." The expenses for the year ended Septem-

ber 1, 1916, exceeded the receipts by $150, which was taken from the bal-
nance of the preceding year.

A more detailed report will appear in tomorrow's Pennsylvania.

A resolution was made and carried to the effect that a season basketball ticket should be issued.

That the sentiment of the Associa-
tion was clearly in favor of holding the Army-Navy game on Franklin Field was emphasized when the motion of an alumnus to discon-

tinue the playing of the same here had to be withdrawn for want of sec-
fic votes.
