Miller, and Pennsylvania worked up at this point, and with a brilliant display of speed and skill, scored, Marks, Pierre and Wallace captured the point. Sophomore Elect Prominent Football Player to Take Charge of Trophy.

Lou W. Jourdet, Wharton, '15, was elected custodian of the bowl at a meeting of the Sophomore Class, held yesterday. The bowl was the one which he second year won in the recent Sophomore-Freshman Bowl fight.

Jourdet was a member of both the football and basketball teams in his Freshman year, and player a star game at end on this year's University eleven.

He is also a substitute on the 'Vanities bowling team.

According to custom, Jourdet will have charge of the trophy until the class graduates, when a bowl man will be elected to take permanent charge of it.

Cercle Francis Play.

Daily rehearsals are being held for the annual production of the Cercle Francais, the "L'Archeveque en Le Parle" of Tristan Bernard, which is to be given on the evening of February 15, at the New Century Drawing Rooms.

As this play is very short, the members of the Cercle are considering the matter of producing another short comedy on the same night, but no definite conclusions have yet been reached in regard to the matter.

The Cercle has received an auto- graph letter from the author, granting it the permission to produce this comedy in the Cercle's own lifetime, provided it be done in French.

President E. W. White has appointed the following committee to take charge of the production: H. S. Leach, F. B. Maffit, F. Yacht, Consell, R. D, James, W. J. Summers and T. Hum- phreys, chairman.

Harrison Banquet Plans.

"When the story of the University of Pennsylvania is written, the name of Charles A. Harrison will stand as that of one of its greatest Pres- idents," said Dr. Kirk yesterday in speaking of the banquet which will be given in the presence of the University by the Faculty of the University.

"When Dr. Harrison took charge of the University, in 1914, its holdings amounted to barely $1,110, and by the time of his retirement, in 1939, he had raised this sum to $18,000,000."

Dr. Kirk said that already nearly a hundred acceptances to the banquet had been received. By the evening of the banquet it is expected that this number will be greatly increased.

The dinner will be held in Woodman Hall of the Gymnasium on January 22.

Special Notice.

This week's University Annual will contain a cooking college article on "This Majesty the Friedness—How to Make Him Democratic." Real old chaps.
