DEATH OF E. C. RUTSCHMAN.

Robert E. Ruttschman, an intimate friend of the late President Allegro, and a dean of the various departments of the University, was introduced into the Medical College of Ohio last Tuesday, and has been an influential figure in its educational life. Ruttschman was born in Pennsylvania, but left to the tender mercies of J. H. Smith and B. L. Goddard, his native city, and attended the public schools of that city. He was graduated from the University of Pennsylvania in 1864, and was associated with his alma mater until the time of his death, when he was appointed chairman of the Department of Anatomy.

Ruttschman was a man of great ability and enthusiasm, and his death is a great loss to the University. He was a friend and associate of many distinguished men, and his demise is a matter of deep regret to all who knew him.

FRESHMAN BANQUET SUCCESS.

The Freshman Class made a social debut last night under very auspicious circumstances, when they were entertained in a banquet and a concert, and it proved to be a most popular and enthusiastic affair.

The banquet was held in the Majestic Hotel, and was attended by a large number of the students. The program included a series of interesting addresses, and the music was furnished by the University Glee Club. The event was a great success, and the class expressed its appreciation of the arrangements in the highest degree.

Committee from Harrisburg to Investigate University's Need for $60,000,000

An appeal made by the Board of Trustees of the State Legislature atarrisburg to-day for $60,000,000 for the University. Their coming in the out-look of the bill introduced into the State Legislature last Tuesday by Sen-ator Tazewell, pertaining to appropriation of $60,000,000 to the University. They comprise the majority of the Legislature, which will also inspect the other educational insti-tutions in the State.

At 12:30 the party is scheduled to ar-rive in Harrisburg, but it is likely they will not be by a committee of the Provost and the heads of the various depart-ments. They will be shown the vari-ous buildings throughout the city, for which appropriations have been asked, among them being the University Museum and the University Library, both of which are partly vacated for the summer season. Lunch will be served to the party at the Hotel Majestic, and they will remain in the City for the night.

DEATH OF E. C. RUTSCHMAN.

Manager of 1903 Basketball Team Passed Away at 62.

Eugene C. Rutschman, manager of the team of 1903, who died last Wednesday afternoon, after a lingering illness, will be missed by the University and many of his contemporaries. His work was done in a way that made all of them proud of their team. In the course of his career at Pennsylvania, Mr. Rutschman was a leader in the interests of the University, and is remembered for his splendid work in the various fields.

FRESHMAN BANQUET SUCCESS

One Hundred and Fifty First Year Men Pasported at the Majestic—W. A. F. Banquet.

The Freshman Banquet made its social debut last night under very auspicious circumstances. The occasion was a complete success, both in the popular and picturesque affair. In occasion and song, one of the finest first year men ate, drank and were merry, and then listened to an alluring hostess, Miss. Wallace A. Fisher, was toast-master, and proved a capable one in- deed. As he introduced each speaker, he had some stories to tell about each one. Norman S. Harr, cap-tain of the 1914 team, made some pertinent remarks on "Football;" E. W. Seeger, captain of the 1913 team, had a few things to say about the great indoor games. G. E. Bloomer, editor of the "P meddling," spoke the floor, F. E. Pennyman, strode of the "Pennsylvanian," was received amidst applause and abolishment on the broad subject of reviving, and E. L. Smith, president of the football committee, made a strong and spirited speech on the class in general. The affair was one of the most brilliant and picturesque selection of the season. The music was superb, and was played by the members of the Philharmonic Society. The University has lost one of its outstanding athletes in Eugene C. Rutschman, manager of the basketball team of 1903.

FOUR MILE RELAY AT BUFFALO.

The University will have a relay team at the Intercollegiate Games in Buffalo this summer. The team is being selected now, and the members will be announced shortly.

The "SACRED SCOW." 1914 INTERCOLLEGIATE GAMES.

The "SACRED SCOW," 1914 Intercollegiate Games, will both be represented on the program for the Intercollegiate Games. Both were opera composers whose works achieved tremendous success, and are still listened to by large audiences. In fact, before Thomas died he was invited to the opening of the concert of "Mignon" at Paris—an experience that some of his contemporaries might well envy despite the modern facilities for music in our country.

The "Overture" to "Mignon" is one of the most elaborate at any of the concerts. In "Mignon," Thomas wrote an opera that enjoyed a great success in the modern Prussian, in that the music is always, throughout its entire progression, tuneful and tuneful and tuneful. Many of the scenes are full of beauty and interest, and the music is to be worth to posterity, tuneful and rich. WRESTLING BY AN EXPERT.

Dr. B. F. Roller, Former Pennsylvania Athlete Shows Fine Points of Game.

The Varisty wrestling team will meet Cornell tonight, at 7:30, with their chances for victory greatly improved. Dr. B. F. Roller, the former Blue and Blue wrestler, who will meet Zbyrko tomorrow night, has shown the huddled strength of the front points of the game.

Nearly the entire squad was present yesterday afternoon at the American Athletic Club, with directors, that they might profit by Dr. Roller's exhibition. Helmsman and Nissen, of the squad, were the subjects, and with their aid, Dr. Roller illustrated the fine different Nelson holds, the scissors hold, the toe hold and the strangle hold. He also gave the men some good advice as to the best methods of opening and following up the attack.

When asked as to his chances for victory over Zbyrko tomorrow night, Dr. Roller was extremely modest and would hardly venture an opinion, but he did not seem much afraid of being defeated. However, he said he was opposed to using the double Nelson, the struggle and the toe holds. "They are unsportsmanlike and unscientific," he said, and "not true to a man's skill.

Wrestling is primarily a sport, and should be played as such."

A very large gathering of University men were present at the exhibition, through survey of Jack Staff. Besides the wrestling, there were two thorough exhibitions of boxing bouts.

Medical Association Meeting.
The Undergraduate Medical Association will hold a meeting at 1:30 to 2:00 in the Fraternity House of the Medical Building. Papers will be read by a number of undergraduates, after which Dr. James Town will address the assemblage. A tea will be given immediately after the meeting in Room 266.
