FRESHMEN LOOK STRONG

First Year Men Stand Good Chance to Win Over Preparatory Schools

This Afternoon.

Every Freshman in the University who thinks he has any ability at all will be given an opportunity to enter the annual Freshman Preparatory School meet, to be held this afternoon on Franklin Field.

Trainer Murphy has not made out any hard and fast list of entries, but will welcome any one who would like to compete.

Although at first glance the chances seem to lie with the Freshmen, the result is not by any means sure. Zimmerman, of the George School, and Lipscott, of Episcopal, will push hard to his limit in both the 100-yard dash and the 220-yard dash. Lipscott has been doing exceptionally well and is expected to have running the quarter in as low as 52 last Saturday.

In the shot put and hammer throw the Freshmen have two good men in Parson and Dutton. Parson has been breaking the 12-foot pole over six feet late, and should have no trouble in carrying off first honors. Harris, of Episcopal, and Rogers, of Swarthmore, will be close second.

With Crafts to look after the pole vault, the Freshmen are not much afraid of serious competition in that event.

In the high jump however, they are not so well represented. Schenck, of Cheyney, is in the form and has been jumping over 5 ft. 11 in. to the one of Leonard and Gordon, of Swarthmore. Wilcocks, of De Lancey, Turner, Hopkins, Coulladin, and others are also entered in the high jump. The competition is sure to be keen.

In the mile run the Freshmen are depending upon Lancer, who is a 4:32 man. Against him Jones, Serviss and Spence, of Episcopal, and North, of De Lancey, are scheduled to run.

The first event will be run off promptly at 3 o'clock.

ANOTHER RECORD IN LINE.

Progressive Policies Evident in Senior Dental Year Book.

The 9th of May has been set for the appearance of the Class Record of the Dental Seniors. It has been the aim of the board to make the 1911 book more significant of the University as a whole than has previously been the case. In carrying out that policy a number of campus events have been inserted and the athletic activities of the university have been dealt with in very much the same manner as is practiced in the College Record. Following the list taken by the college, all private profit has been eliminated. The board is composed of the following men:

Editor-in-Chief, H. B. Stor: Assistant Editor, W. J. Shortman; Art Editor, F. E. Morgan; Business Manager, A. B. Green; Assistant Business Managers, R. Blakeman and E. R. Gilsdop; Associate Editors, D. H. Taylor, E. P. Scanlan, A. G. Jones, H. J. Mahoney, A. E. Park and H. E. Patterson.

Novice Fencers in Fast Bouts.

Chase competition marked the novice fencing tournament in Weitchman Hall yesterday. Some clever fencers put in an appearance and several of the entries engaged in a manner that revealed promise for next year's varsity team. R. C. P. Lisle, 13 Arts, made the best showing, with a clean string of victories, while B. C. Reed, 13 Arts, and J. Yeater, 13 Dent., were close second. The officials were: Director, L. Torrence; Judges, J. E. B. Partlow, W. Sabathwine, R. A. Peterson; Timer, C. A. MacPherson.

Faculty Tea Club Elect Officers.

The Faculty Tea Club held its annual business meeting yesterday afternoon at 2228 Walnut street. The following officers were elected to serve next year: President, Mrs. George A. Pairot; Vice President, Mrs. A. D. Yourch; Second Vice-President, Mrs. W. R. Dwyer; Secretary, Mrs. R. Chouney; Treasurer, Mrs. J. W. P. Chafer; Directors, Mrs. A. C. Abbott, Mrs. John G. Clark, Mrs. Alexander Randall, Mrs. W. R. Snowfield, Mrs. J. R. Adams, Mrs. R. Tait McRae.
