Large Audience Sees Outdoor Performance of Elizabethan Comedy.
W. D. Shelley Stone

"Mucedorus," an Elizabethan comedy con- ducted by the Players, was given on the Phila- delphia Society in the Back Gardens last week for the entertainment of its members, in which it was written.

The answers to the various questions concerning which an open-air performance at night was desirable. In the first place, the weather was extremely creditable. The warm breeze in the head was rather diverting at times and the slope of the ground made it difficult for per- sons in the rear seats to get a good view of the players, but, in spite of these petty annoyances, the audience was very enthusiastic.

The players had some difficulty at first in acquainting themselves with the stage but after the first few scenes this trouble was overcome more or less successfully.

In all fairness to the entire company, full honors must be given with- out exception to the performers who took the part of the clown. From start to finish his acting and char- acterization were the life and soul of the production. In the part of "Mucedorus," a near relative of the "corned" man, he had a right to make a man and rob him of his money and he did just that, and that is why he is a Freshman. It is always the roughest part that does this sort of thing. Houston Hall will now become what it always was before, the center of in- terest for the Freshmen.

As regards the committee's action in accepting the Freshman's proposals, continued Dr. Smith, "I can hardly approve of the action, as it is approved. The reforms of the Undergraduate Committee, according to the report of E. C. A. and the President, are in the best interests of the University and are, therefore, fully approved by the administration of the University.

"To sum up, we have seen that 'Mucedorus' may have been a "corned" man, a near relative of the "corned" man, and is rewarded with her favor. I'm sure that these words, or words similar to these, will be written as the house goes down the curtain this evening. And if any one of the so-called professors out there, Prof. C. C. Boyd, '18 C., Envy M. C., W. M. Crowe, '12 C., and Collen..W. If. Crowe, '12 C., can understand these words, they are not only poor in English, but are a fine specimen of the "corned" man and his many accomplishments. The players Mail some difficulty at times in getting their lines, but, if all the players keep up the wonderful precedent, whatever claim to "Mucedorus" there may be, it will be quite apparent that the Freshmen have a right to have their fun."

The supporting parts, as a whole, have lately appealed in the paper sal- lows: Alpha Tau Omega vs. Delphi Chi, Phi, and Omicron Chi vs. Alpha Tau Omega. The interfraternity baseball league has pro- gressed to its final stage, the final silver medals and the first in the consolation cup class. The winners of the final stage are as fol- lows: Alpha Tau Omega vs. Delta Chi Psi, and Sigma Pi vs. Phi Omega Psi. The cup will be presented to the winner of the first contest in order to give Sigma Pi a chance to play in the second contest.

The winners of the first stage will be presented to the winner of the second, and the latter will be presented to the winner of the final stage. The games are the following:

HOLY CROSS DROPPED 5 TO 1 AT

BY YARSDIT, 5 TO 1

Home Runs by Toomey and McNabb
Feature One of the Fastest Games of the Year.

IMLAY DOES NOT PASS A MAN.

Holy Cross was in great form yesterday and let Holy Cross down with five hits and one run. The "Turtles" sailed five times by good, consistent batting. It was one of the fastest games seen on Franklin Field this year. Holy Cross has always been a hard team for Pennsylvania to beat, but, with only three moves in the lineup, they were rather easy yesterday.

Dumen, who pitched for the visitors, showed flashes of brilliant form, but got a poor start when he let three hits and two singles across the plate, the first lining. He gave five bases on balls and struck out five men.

Holy Cross had the visitors guessing all the time and never had to extend himself. He was steady at all times and did not allow any signs of weakness.

King took Hayd'aren's place in right field, but did not get a chance to dis- criminate himself. McNabb and Troy- oon were the men who did the damage in the game when no men on bases.

Pennsylvania got away with a good start, several runs in the first and second frames. Drs. King, the first man up, got on base on a single, and was sacrificed out of second base by the short center, and second and first bases were occupied. McNabb, as second basemen, hit a hard single and W. D. Shelley scored from the plate.

The Sophomores have reason to feel rather sorry in the Kentucky Derby. Simpson and Murphy will probably take first in the hammer throw and shot put, respectively. Drs. Patton and Nison, for the Penns, will put up a nice fight, however, and are expected to score.

In the hurdles, quarter, broad jump, and the highJump, the Sophomores have the best of it on paper. Griffin has been doing very well this season and should run away with both hurdles. Wharton is relied upon to capture the quarter and Lapier, of the Sophomore jump. Moore and Johnston should take place in the highJump. If there is only the Penns, who has done consistent work over the bar. The outside for the Sophomore highJump is the only Freshman who has been doing consistent work over the bar.

In regard to recent business reforms which the University has experienced in many respects, there is a wonderful precedent. Whenever the members of the class committee souvenirs have lately appeared in the paper a wonderful precedent is established. "In my time at Pennsylvania, I'll bet that the Bennett's Buildings Building Fund are two of the most reassuring and effective reforms which the University has experienced in many years. I am heard in sympathy with this statement."

GREEK LEAGUE SEMINALS.

Must Be Played Off by Saturday.
Eleven Teams in the Two Divisions.

A heavy vote was cast at the polls yesterday when the second team was elected the members of the Faculty who are to be honored with the becoming Sophomore Crematorium. Of the instructors who were asked to per- sonally honor them upon them, Prof. J. R. Ross- smith, of the Physics Department, is the largest voice, with Dr. Percy Van Elsley Smith, of the English De- partment, a close second. Prof. J. C. Barker, of the Physics Department, and Prof. H. F. Fry, Head of the Physics de- partment, were third and fourth choices.

The orders of the occasion, who see to it that the Faculty are not cowed without some parting words of comfort and cheer, are yet to be chosen, and their names will be probably announced tomorrow.

Another point in the competition for the Sophomore Trophy is the dinner this afternoon when the Freshmen and Sophomore members of the club will get in their annual track meet. It is hard to prophet who will win. The tickets for the contest are very merely credited.

ARCHITECTS NOMINATE
Officers for Next Year and Plan for Annual Outing at Easington

The Architectural Society of the University held its last regular meeting of the year yesterday afternoon. Officers for the coming year were nominated as follows:

For President, F. A. Mihalcsheng, '12; and L. E. Whallon, '12; Secretary, G. R. Brumbly, '12, and T. F. Dillan, '13; Nomination were also made for Vice-President and Treasurer, but men of the Freshman class were named.

The second trip to Hampshill will be held next Friday, May 19, at which time election of officers will take place. The Society members of the Freshmen will play a base ball game against the Juniors during the afternoon.

FOOTBALL SMOKER TONIGHT,
Candidates for Team to Hear Plans Discussed by Former Stars.

Every one in College interested in playing football is expected to be present at the football smoker to be given tonight in the Training House. All coaches, players and trainers will be able to make short speeches to arouse interest in next year's football season, and then the prospects and needs of the team will be discussed. It is particularly important that every prospective candidate be present to meet the men and to get into the spirit of the team.

NEW SETTLEMENT SECRETARY

Mr. Thomas W. Sprowles, of Chicago, to Relieve Mr. Evans of Management—Comes with Fine Record.

Thomas W. Sprowles, one of the most widely known social workers of the Middle West, has been secured to take charge of the University Settlement. The new superintendent will take up the duties of his office on June 1. Mr. Sprowles succeeds Thomas S. Evans, the Secretary of the Christian Association, who has been in charge of the Settlement for the last twelve years. The activities of the Association have been so numerous during Mr. Evans' direction that he has been unable to devote the proper amount of attention to the Settlement, and he has been forced to give up his duties there.

Mr. Sprowles leaves the directorship of the Washington Park Field House to make his home in the Chicago School of Civics and Philanthropy and to head the Girl's Hill Social Settlement of Chicago in the Chicago Commons. He has done both field and office work for the Relief and Aid Society of Chicago, and has been intimately connected with social settlement work for a number of years.

The Christian Association has also secured the services of Dr. A. F. Jack- son to act as Foreign Mission Secretary and to take immediate charge of the University work in China. Dr. Jackson is a graduate of the University of North Carolina and of the University School of Medicine. He has just completed a course as intern in the Philadelphia Hospital, and ultimately expects to become a medical missionary.

CRICKET TEAM DROPS MATCH.

W. P. C. Gave Weakened Varsity First Defeat, 84 Runs to 117.

Misses the services of four regular players, the Varsity cricket team suffered its first defeat yesterday afternoon at Findlay, losing to the West Philadelphia C.C. 84 runs to 117. Busting first, the Varsity had a disastrous start when the first four wickets fell for a paltry dozen runs. With the advent of Keenan to the wicket, however, the score mounted more rapidly, until the tenth wicket falling for a total of 41 runs. Keenan batted a beautiful innings and was credited with a well-played 12, while none of his team-mates were able to score double figures.

The Red and Blue team was worthily led in bowling by the absence of Clement, Watson, and the first West Philadelphia wicket did not fall until 72 runs had been scored, 68 of which were secured by Guest. With but four wickets down, the home team had amassed a total of 127 runs when stamps were drawn. Keenan and Hunter occupied the only Red and Blue bowlers to secure wickets, the former with two wickets for 33 runs and the latter one for 30 runs.

Tomorrow the cricket team plays Cornell in the first Intercollegiate League match. Theherits were twice defeated last year, but have improved greatly since then and are expected to prove dangerous. However, with Clement, Watson, Wood and Waddesdon in the lineup, Pennsylvania will be much stronger in bowling and batting.

OFFICERS BANQUET TONIGHT.

Christian Association Workers' Feast at Central Y. M. C. A.

Officers and secretaries of the Christian Association will dine tonight at the Central Y. M. C. A., 117th Arch street, at 6:30. Mr. Clayton S. Cooper, of New York, who is in charge of its intercollegiate Bible study, will attend and deliver an address.

Short talks will be given by nearly all of the secretaries. J. R. Hart will speak on "Bible Study," J. B. Bunch on "Church Work and Membership," B. S. Shute on "Politics," and D. G. Hare on "Philosophy." Dr. A. P. Jackson, the new Foreign Secretary, will talk on foreign affairs. E. P. Von Berthen's subject will be "The Settlement," and C. H. McLean will give a general idea of the work of the Association. Dr. Joel Hildebrand will preside.
