SPECIAL TRAIN CHARTERED

Excursion to Princeton Next Saturday Will Cost $2.50, Including Round Trip and Seat at Game.

The sequel to "Slay Flat" Day will occur next Saturday. Eleven former base ball teams journey to Princeton for the return game. As in previous years, special arrangements have been made to ensure that no team will arrive too late. The game will begin at 1:30 at Mercer Ball Park. The special train which will leave Broad Street at 1:55, West Philadelphia at 1:30, and arrive at Princeton at 1:30, will be used. The return train will leave Princeton immediately after the game and Philadelphia will be reached normally early enough to have all the students in residence in good time for the evening. The cost of the entire trip is $2.50, including seat and a reserved seat at the game.

The game early developed into a pitcher's battle, and the Indians scored in on an error. Colonel Fields opened the first inning with a sacrifice and a walk. The first hit was made by Sedrowski. The Indians won the first three runs in the second inning for a total of four runs, and the game was decided by the Indians in the sixth inning, giving the team a 4-0 victory.

PART OF HANDICAPS RUN OFF.
Half and Two-mile Races Finish at Fair Time.

Two events, the half and the two-mile, of the Theta Handicaps, were run off on Saturday on Franklin Field before the Penn-Signia ball game.

The half-mile was to pick the five men who will represent the University in this class at the Interfraternity meets, since "Mike" Murphy had eight good half-milers and only six could be entered. All eight were started on scratch. And they reached the home stretch, a hundred and twenty yards from finish, in the above order. Murphy's lead from the nine horses. Poster was leading, but led by the flies. Leverage and Pool prevailing with him hard. Poster's lead was too great for the others to overcome and the race was over. Leverage passed Pooler in the last few yards and took second, while Pool finished fourth, beating Boyle by a few inches. Time, 1:58.5.

The two-mile was strictly a handicap race. Since Wolfe was the only man to start from scratch, McCurdy had eight seconds on his more experienced competitors, and from the start it was evident that the race was between Wolfe and McCurdy, and the latter had not to trouble in overcoming the other runners. Wolfe led, strongly on McCurdy, taking about two hundred yards on him in the tape. He looked as though he would then win easily, but about fifteen yards from finish McCurdy started his wonderful spurt, catching Wolfe and beating him in by about three yards. Wolfe's time being 4:05.7. O'Neill was third and others fourth.

It may well have been decided when the other events of the Sigma handicaps will run off.

HILL SCHOOL WINS EASILY

Ramps Off with Middle Atlantic Championships by Good Margin—One Record Broken, Another Tied.

By a safe margin of 28 points, Hill School triumphed over its nearest competitor in the annual Middle Atlantic Championships, held on Franklin Field, Saturday. The final score stood: Hill, 28 points; Central High and Mercersburg, 21 points apiece. The other competing schools trailed along behind.

During the course of the afternoon one record was established and one tied. Plimpson, of Hill School, ran a very pretty two-mile race and won in the remarkable time of 11 minutes 25 seconds. Entwistle, of Northeast Manual, former holder of the record, did the distance last year in 11 minutes 42.5 seconds. Plimpson is the first school-town man that ever won this two-mile event.

The record that was tied was the mile. Brown, of Northeastern, was the winner of this event with the fine time of 4 minutes 34 seconds. The present holder of this record is Paul, formerly of Morrisville, who ran the distance in this time in 1910.

Contrary to expectations, Lippman, of Northeastern, did not win the hundred. His previous good showing seemed to warrant his being picked to win, but Porter, of Central Manual, was the quicker at getting away and succeeded in first breaking the tape in 10.15 seconds. The 220-yard hurdle was a very close contest, first place with Porter, of Hill School, and Armstrong, of Central High, running neck and neck. Potter managed to win out by a close margin in the time of 27.1 seconds, only 1.5 of a second slower than the American scholastic record, made by Schneiter in 1910.

SMOKER FOR THE INNOCENTS.

Graduate Members Also Burlesque Show For This Year's Cast.

The Mask and Wag Club entertained the members of the cast and chorus of "The Innocents" at the club house Saturday evening.

The burlesque on the show, which is given annually by the graduate members of the club, was entitled, "The Documents, a stream of illus house in which to draw a few divs," and included the following old acts:

Col. Bedridden Mr. Mellon
The Pope Dresses Black, Mr. Morgan
White, Mr. Moker
Pilina Van Pettershur, Mr. Worthington
Sturgeon Owyen, the Russian Captain
Dr. Jones
Prof. Jack Candalion, a minor but... Dr. Dohm
Jay Worry, the Physio Player
...Mr. Davis
The President..., Father Joseph His Postman, By The President of the Mask and Wag Club,
Choir of Growing Graduates and
Hucn Sweeney
Mr. Martin and Mr. Cockram

The burlesque contained innumerable clever in-jokes on the members of the show and their doings. The safe scene was decorated and the opening of the safe was the signal for other openings in the grill room.

Following the burlesque the pictures of the members of the cast were shown on the screen, which brought about an enthusiastic demonstration and a general adjournment.

of both Clark and Neblett, the game furnished some clever batting. But	
in left field, Cornwall had a busy day, handling in all six chances without an error. All of the hits were gotten after long runs and placed near with Dougherty's chances. The Red and Blue infield had plenty of work, but all chance gone to the outfielders. Aldenfield, Donovan Teamsey displayed the best form of the two; in better, the ground, while McNab gave a clever exhibition of fielding around first, handling some difficult thrown in easy style.
