THIRTY MORE CREW MEN

Total New One Hundred and Twenty, Only Fifteen Behind Last Year's Record Turnout.

With only fifteen less than last year's total, but with almost twice the crew, the five men, the second day of Fall rowing saw ten crews on the river. With the new members of the rowing team and department men still to be heard from, last year's record is almost certain to be broken. The College furnished eight crews and the Dental and Architectural departments one each.

Yale's, B. F. P. S. and Pennsylvania's thirty more than the day before, and this furnishes a good reason for the number of which the members of the crew are sure to be content.

Although many veterans of former Varsity and class crews reported, the making of a full crew in the twelve days is not to be credited to veterans. The Law School has two or three crews which cannot be filed by veterans. The Law School and Dental crews which can be filed are announced. The second, must be built around Ballard, Brennan, and Van Buapiek. Henry in two years, and Carter of last year's eight.

Candidates will not be excused from practice to-day and must report at the Colonnade gym as early as 7:30 or 8:00 o'clock and the boys will go out to the bowhouse on the 4:30 or 5:00 boat and the crews which will be held every day but Saturday. Those who have been excused from practice will be excused.

The finances of the class will be voted on by the Senior crew.

The only regular Varsity back who got out into the scrimmage line. He hit his signals with great regularity and good passes through the line. The Varsity scored in every period, Thayer made two, keough one and one.

Punch Bowl Out Next Week.

Punch Bowl will make its first appearance next Wednesday. Several early next week. A few changes have been made in the crew since the first practice yesterday, the subscription price has been reduced to a dollar in each of the two issues instead of nine dollars which were in force seven days ago. This improvement should be able to make a good business of it. The members of the crew will be able to make a good business of it.

SNAPPY PRACTICE FOR FRESH.

First Year Men Pitted Against Scrubs and Dressed Hard Until Dark.

Although several of the regulars were on the injured list, yesterday's Preussen and Scrubs match was one of the fastest of the season. Avery and Crane, of Preussen, of whom are about certain to land regular positions, are among those disabled. Avery's knees are giving him a lot of trouble and Crane has been working on his injured hand in a sling.

After a hard fight in the preliminaries, Coach Purvis made up for the first two weeks against the Scrubs for one of the finest football games of the year. They were kept at it all day.

Silverthorne and Purvis, who are both first team men, were placed on the Scrubs. They strengthened the substitutes considerably. Silverthorne scored a field goal and a touchdown to quarterback playing, while Purvis scored almost every time on his side of the line, and several times opened his line for the Scrubs backs.

Hoggen, a former Central star, was away yesterday on his first time. This man, together with Craig, the old Central High star, and M. C. of Haverford School, fill the outstanding holes. The last two were able to gain almost at will through the Scrubs. Both Craig and Purvis, the Scrubs' quarterback, gave a most exciting exhibition of cutting and running back kicks.

The first team's Blue showed more strength than it has since Chapter's time, though the coaches are by no means satisfied. The win was necessary and could be fitted to start development into strong line-up.

Besides Silverthorne and Purvis, Houston, Mackenzie and Rock work showed well on the Scrubs. Houston and Mackenzie twice broke through and blocked kicks, while Rockwell picked up, making two yards, touchdowns. Rockwell also received forward passes.

The same loose tackling and poor interference appeared in yesterday's scrimmage, but the coaches are putting particular attention to these faults and hope to overcome them before next week's game.

Fall Handicaps October 21

Ten Events on Program—Be Ins on First Three Places—Men Are Urged to Come Out.

Saturday, October 21, is the date set for the Fall Handicaps, which will be held on Franklin Field, starting at 10:30 A. M.

Despite the fact that eighty men reported for track a week ago, only ten candidates came on Thursday. "Mike" Murphy will be on the field daily from 1 to 3 and from 7 to 3 o'clock.

There will be ten events on the program—the 100-yard dash, the 440-yard dash, the mile, the throw, the 220-yard hard hurdles, the pole vault, high jump, broad jump and the shot put.

Every man will have an equal chance. The novices will have enough handbooks put them in even terms with varsity men.

University invite will be given to the winners of first, second and third places in each event, and in addition Track Manager Mulford will present a special token to the novice who wins the greatest number of points.

This year there will be no low barriers, "wascally runs or hammer throws. A special three-mile race has been scheduled however to give the men that are out for the cross-country team a chance at a longer distance.
