PUSH BALL MISSING QUANTITY

FOOTBALL

Cor. O'Clock Tomorrow Present Date for Fight, but Ball Has Failed to Arrive

People-seeking Sophomores and pre-confident Sophomores awaiting the commencement of the Push Ball during the past season to all intents and purposes. The Push Ball was in the general excitement of a new idea, but in appearance, Word has just been received from the offices, but it is not evident from any State College, where it was said in the very words the two inter-operations of the Bellefonte in a position of insurmountable delay on the road, has failed to form its operations.

It is expected to be on

Franklin Field by 12 o'clock to-morrow, the present date for the fight. But the rule of change in the date will be for 11 o'clock to-morrow. Both classes are particularly anxious to play the Push Ball, but it is not likely to be played at all by the Sophomore class. The Sophomores are smarting under the two suspensions which have been administered to them in the opening of the season. At present, preparations for obtaining a signal advantage over the Freshmen in this coming battle are being made. If the Freshman win the Push Ball scrap it will assure them a more comfortable future, in only the Bow Fight will be had.

Last year's Freshman class won the first Push Ball but the Sophomore class practically tied the second, but were defeated in the third. Both classes have n't an account of their operations to this date, but it is evident that the Sophomore class have been always a greater factor in pressuring the Freshmen. The Sophomores have been playing for three or more years, to that surprise our least Southwestern baby, but they are aggression. The Sophomores are so ready to turn our backs on our friends in the

Second Scrub Play Freshmen

First Year Line Still Weak—Backfield Gains Consistently.

The second Scrub opposed the Freshmen and the Freshmen played with no services of their backs. The Freshmen had a number of opportunities against for half hour and in the half-hour, but the Freshmen showed no promise of scoring on a delayed pass. The work of Kyle and Haines showed us the game the players, and Stites backed the novelty in the

The two ends were made possible by Byer's running and the fact that the Freshman line did not have enough. The Scrub backfield showed the frequent or the Sophomore would have had a much stronger line. The second Scrub followed the Freshmen back the ball frequently or the Scrub would have had a much stronger line.

Following the Scrub's score the Freshmen took the ball, and after only three minutes of the first play Attorney carried the ball from the 20 yard line to the 10 yard line for a score. The Freshmen scored a second and a third, the Freshmen scored a third point. To get up all earnest enthusiasm for the Lafayette game and Michigan with the cheerleaders have called another mass-meeting to be held in the Triangle tomorrow night at 7:30 o'clock.

In view of the fact that a victory over Lafayette would give the "Varsity" increased impetus for ending the season with a bang, tomorrow night's meeting is considered by the cheerleaders the most important of the year.

LAFAYETTE COMING STRONG

Easternians Have Individual Stars in Backfield and Line—Will Bring Band.

Judging by a comparison of the scores made against Carlisle by Pennsylvania and by Lafayette, the University team appears to have a shadow of advantage over the Easternians, who will play here Saturday afternoon. The Indians were from Lafayette to a score of 19 to 6. Three times more than they scored on Franklin Field.

The Indians and White, however, will bring down a team that includes several stars who will bear close watching. They have started, a little halfback that is said to be as good a dasher and field runner as Miller of State. He has made many long runs repeatedly in all games in which he has played. But he was injured in the Wisconsin game, and lasted only ten minutes against Columbia. Coach Newton kept him out of the Backfield contest in order to save him for Saturday.

Halfback Marshall has made a great name for himself in the last three weeks. He has shown form as equal to his state, and in running back kicks and in general open field work.

Both, at the halfback position, is a heavy man and a hard line shaper. Captain Dunham, who plays on the end, is the star droolker of the team, and Kelly, a guard, is not only a strong man in line, but also one of the greatest long-distance runners in the country.

Center Benson and Tackle Wenzel, who tip the scales at about two hundred pounds apiece, are the most invaluable men in the line. Benson being one of the best that tackle all over the field. Aside from these men, the line averages about the University's same weight as the backfield, and the halfbacks, which is at the pounds.

Saturday's battle promises to be a very clear affair of Eastman. Lafayette will bring down a band and a football team filled with success.

1915 LOSES TO EPISCOPAL

Academy Cross-Country Men Win by One Point—Marshall First.

In their first meet of the season, 1915's cross-country men were handily out by the Episcopal Academy runners representing nineteen teams in twenty-eight points to the schoolmen's twenty-seven. The race was run over the Lombry course, which is three and a half miles long.

Although Hartman, 1915, finished first, the Episcopal team won by a single point. The runners started off at a bunch. Seventeen, 1915, soon took the lead, which he held for the first part of the race, with Hartman close at his heels. The latter, however, broke the tape at least sixty yards ahead of Service, the Episcopal captain, in the first time of 19 minutes and 45 seconds.

Team Scores.
Eppiscopal 2 4 5 6 10—27
Froshmen 1 2 3 4 9—20

The members of the Varsity team are now busy studying in preparation for the annual dual meet with Cornell, which will be run on of the six and a half mile course in the field on Saturday morning.

Looking to their good showing against the Indians, the men are running in fine shape especially Methfessel and Madeira, of whom a great race is expected. Jones and Berns, the intercollegiate record holders in the mile, half-mile and two-miles, will run for the Illinois, and much interest will be added to the race by their appearance on the "Big Red" team.
