CARMEN" FOR SECOND TIME.

Mary Garden Sings to Large Audience

Last Night in Great Opera.

Mary Garden sang "Carmen" last night for the second time this year in a new production. It was a delightful performance and the great tenor Gar- den sang the part of the famous heroine with a great deal of spirit and grace. The opera was well received by the audience, and the encore which was given after the performance was received with great applause.

PRIMING FOR HAFERVORD.

Soccer Squad Had Practice in Bitig Cold Yesterday.

Cold weather had no effect upon soccer practice at Haverford yesterday. The boy's team is getting ready for the big game against Scrub, which is to be played on Thursday afternoon.

In a short time after the practice was completed, the boys will have to leave the field, as the game will be played at 3:30.

Wireless Club Elects Officers.

After a week ofballoting and consultation, the Wireless Club of the University Wireless Club for the city of Philadelphia elected its officers on Monday. R. P. Donegan was elected president, classical department; J. P. Blatt is the secretary, and J. F. Trimm, the treasurer.

The annual Pius P. McGuire. Right to the right of the修身man and Scrub will be held Thursday, November 15, at 1:15 in the gymnasium. The game will be played at 1:15.

The giant sphere, which was to have arrived here last week, arrived here last week, and it will be used in the game on Thursday.

A committee of professors and students have been working on the game for the past week, and they have been very successful in their endeavor.

The Game Michigan Committee today finished a subscription campaign to raise funds with which to send the Scrubs to Ann Arbor for the game with Michigan on Thursday afternoon.

The Atlantic Association is badly in need of funds and is unable to send the students to the game. The committee of students who are trying to raise the necessary money is in a very serious position.

The members of the committee feel, as do the coaches and members of the association, that the spirits of the men will be dampened if money is not raised and that postponement of the trip will have a very serious effect on the morale of the team. The committee has already raised enough money to pay for the trip, but there is a great deal more that has to be raised.

The committee is now having a very serious meeting to decide what action should be taken. The committee is in a very serious position, and the men are in a very serious position.

The men are determined to go to the game, and the committee is determined to raise the necessary money to send them.

Bible Study increases in Philadelphia Men—Entrance Reaches Fifty.

The Bible study and religious discussion movement in Philadelphia has made great progress in the last few weeks. The Bible study group has increased to fifty members, and the religious discussion group has increased to twenty members. The Bible study group has been very successful in attracting new members, and the religious discussion group has been very successful in retaining its members.

The committee of undergraduates in the Bible study and religious discussion movement has decided to organize groups in all the chapters of Philadelphia, and they have already secured the co-operation of the following chapters:

The Atlantic Association, the Pennsylvania Literary Society, and the Pennsylvania Medical Society.

The committee is in a very serious position, and the men are in a very serious position.

With the thermometer down to freezing and the nights getting longer, the men are in a very serious position.

TRIBUTE TO THE HEELER.

Athletic Association Starlines in each bad ship that it will be impossible for the athletic authorities to send the Scrubs to Michigan, as has been the custom in past years. This seems a bit tough enough on those men whose faithful and persevering labors have made possible "Varisty development. But the fact remains that they will be shown by the score, and no amount of appealing at the unsound managers, directors and any others who may come in for condemnation will pay their sacrifice. It is understood that the condition exists, but it does exist, and in serious form, or that it will take a board of financiers in spite of the problems of the future not only something is done very shortly.

Discussion of Association funeral difficulties, however, will not put Scrub mileage in Kerf. Hereafter another method must be devised to leave the Scrub at home is out of the question. So, once more, it is up to the undergraduate. The opportunity to do one's duty in the University comes on another aspect this time. The stands have backed up the "Varisty in right royal fashion during the strains of three defeats—and the come back victory over Lafayette. But how much tribute have they paid to the much-suffering, long-suffering band of unknown whose willingness to be hammered into obscurity for the sake of their University made possible the Lafayette victory? True, there has been no appreciably offered in the past, but the chance is here, and the stands can show their appreciation of the "heelers." It is only a question of duty in the University, and today, undergarments and lost moments will always be very dear to all. We have felt that thrill come over us— that indescribable feeling of joy and excitement—when the Red and Blue trotted on the field; but fellows, take it from us: it is nothing compared with that moment when, surrounded by hostile and half-mad mobs belaboring and thundering across Ferry Field that powerful and soul-stirring "Ray, Ray, Ray, Michigan!": your own—our Pennsylvania comes on the field, and you feel that you would sacrifice your life in cheering them on to victory.

It's grand. fellows, grand. grand! It will infuse into you a new and unknown sensation, which will baffle the deep dark reasoning of even our psychological friend, Leightner Wilmer. That dormant spirit—that underlined and most necessary need a man—man's life will be given a new impetus. You will ever after look back to that afternoon of November 18, 1911, as "the" one day in your college career.

From Dlxon's article, I take it that there is a considerable feeling among the undergraduates that it is absurd to go so far to aid the team beaten. But are they going to beختاری؟ Cer- tainly not! If you had seen that team on Ferry Field in the Fall of 1907 fighting against fearful odds and winning that glorious victory, and then again two years later repelling the performance, you would not have a moment of doubt about the outcome of this year's game.

We are going to win, and if you possibly can, go out and taste the sweetness of a victory achieved on foreign soil.

You will find at Ann Arbor a body of live, active and spirited undergraduates. They will treat you like princes. You will be shown what I consider the most perfect cheering system with which I have ever come in contact.

One thing more, Go—and return to Pennsylvania, a better and a wiser man.

Sincerely yours,
J. B. RHOADES,—19 College.

FRESH HAVE LIGHT PRACTICE.

Youngsters Report for Signal Drill in Good Form After Pawling Game.

Freshman practice yesterday was confined to a light signal drill, with special attention to forward moving and reenforcing inside guards. T. Morrell, who was out of the Pawling game with a bad leg, was sent in at quarter, with Wilson, Avery and Lee as the other backs. Both Morrell and Avery showed up well in throwing the pass, while Kowas and Seiyback continued their good work on the receiving end.

Hard pressing in preparation for the game again Cornellia on Franklin Field. Sunday, November 18, will start today. The team came through the Pawling game in shape and all the regulations will be in next Saturday's game, so that the outlook for a victory is bright.

Coach Wilber gave the second string of backs a long drill in signals, giving Paxson, who has been playing end, at quarter. He showed his unfamiliarity in the position, but made good progress.

The Boost:

1912. "Varsity"42:

Ferguson, left tackle; Kibble, left end; Bover, center; MacNaughton, right guard; Hipson, right tackle; Kowas, right end; T. Morrell, quarterback; Wilson, left halfback; Avery, right halfback; Lee, fullback.

1913. "Sword":

Simpson, left end; Merrick, left tackle; A. Morrell, left guard; Beasly, center; Walston, right guard; Prawley, right tackle; Hine, right end; Pearson, quarterback; Taber, left halfback; Silverstone, right halfback; Blicher, fullback.

FOUR NEW BASKETBALL MEN.

Squad Increased to Eighteen Candidates—Turner Out in Uniform.

Four new candidates for the Varsity basketball team reported for practice last night, bringing the total number up to eighteen. As this number is considerably smaller than the turnout of previous years, Captain Walston is discouraged with the showing and hopes to see more signed up on Wednesday night.

Turner, of last year's Varsity, appeared in uniform for the first time last night. The squad was divided up into two teams and put through a snappy scrimmage.

Pearce was in his old place at center and Turner held down his forward position. Bloom, of last year's Freshmen, played guard on the first team and Burksley and Reeder filled the other positions of forward and guard. Reeder, who played on the 1911 Freshman team and was unable to come out last season because of conditions, showed up well in last night's practice and will make a strong bid for the first team.

The other men who reported last night were Band, Stringer and Buckley. The lineup for the first team:

First Team: Second Team

Turner, forward: Reeder, forward
Buckley, forward: Randtke, forward
Pearce, center: Hoar, center
Bloom, guard: Kraus, guard
Reeder, guard: Howell

Italian Students Organize.

Italian students in the University yesterday formally completed an Italian Club, "Il Circolo Italiano." At the first meeting, held last night in Houston Hall, a constitution was adopted and plans were made to hold regular meetings the first Monday of each month. The following officers were chosen: President, Z. V. Di Saloto; Vice-President, J. Altenese; Secretary-Treasurer, G. Schafferino.

The club represented the interest taken by the American press towards Italian students in the Turkish war and stated that all the reports of massacre were either untrue or grossly exaggerated.

Band May Go to Michigan.

The University Band may accompany the second party on the Michigan game trip. The men who will make up the musical organization for that occasion, provided the band is taken along, will be selected at a meeting this evening, and arrangements for the driving them will be made.

See "Ted" at Beasly's pool parlor for instructions.
