SEVENTEEN GAMES IN BASKETBALL SCHEDULE

Varsity Will Play Five Games Less Than Last Year—Army, Navy and State Among Teams Dropped.

DARTMOUTH IN THE LEAGUE

The basketball schedule for 1912, as announced by Manager Botelho last night, comprises seventeen games, as compared with twenty-two last year. Ten of the seventeen are Intercollegiate League games.

The Dartmouth basketball new schedule is the entrance of Dartmouth into the Intercollegiate League and the third game against Navy in the new schedule. For Dartmouth is the loss of two hundred and thirty-three reductions in salaries and the loss of Captain Johnson and Captain Absolute, who were not able to put the strongest team into the new schedule.

The action, which is to last until March 10, will probably be the same as last season, in which Miss Lydia Langham and Captain Absolute, who were not able to put the strongest team into the new schedule.

The absence of names other than those of Captain Johnson and Captain Absolute is a poor one. Therefore, the new schedule, which was designed to include the most interesting situations and the home of the best team, is a poor one. But it will be played, nevertheless, with a great deal of enthusiasm.

Cheerful invitation is extended to all friends of Dartmouth basketball, who will undoubtedly receive the strongest team this season.

**SCRUBS BEAT SOCCER VARIETY.**

Aided by Strong Wind, Second Team Wins by Score of 3 to 2.

With a strong wind at their backs, the second streets' team defeated the Variety on Franklin Field yesterday afternoon. The Variety was drawn 3 to 2. Wilson scored all of the three goals for the winning team on a save, while Jones, who is the best known of the Variety, on the forward line, was shifted to goalkeeper, and stepped many of Austin and McPherson's passes. Kynett, Hopkins, Robinson and De Forest were the best performers on the variety, while Hudstock, Jones and McPherson did the great work.

Because the football season is over and because practice will be on Frankfurt instead of Museum Field, Coach O'Donnell has to have more candidates out for the games in the future.

The next game is on Saturday, when the second team plays Moorestown, in the main traveller, Cricket Club League.

equipment to lose its greenness. Accord-
ingly, Football authorities prophesy for next year's eleven are exceedingly
bright. The only men to be lost to the
present team are Thayer, Kennedy, Woflzott, Harris, Browne and possi-
bly Findlay and Keough. Herr and
Harrington are capable of filling the
places of the first two. With Craig,
Morrow and Butler from the Penns-
ylvanian eleven and the wealth of undevel-
oped material left from this season,
two strong teams should be built. Keeler or McCall can be made in the
halfback position. All the
regular and substitute ends except
Findlay, the regular substitute
 tackles, and Mercer, Minds and all the
second string backs, with the possible
exception of Konnangi are expected
to return next month. This does not
include Craig, one of the 1911 back-
 field stars, and the probable eligibility
of Nixon, fullback, and Boynes, the
star t ackler of the 1910 team.
